**Fair Play: Reese's Book Club** Eve Rodsky, 2021-01-05 AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in

a new way... It started with the Sh\*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

*Making a Living from Your eBay Business* Michael Miller, 2006-10-12 The power of online auctions is attracting hundreds of thousands--if not millions--of users who want to turn their eBay hobbies into profitable businesses. While turning an eBay hobby into an eBay business might look easy, making that business profitable is much more difficult. Not enough sellers treat their eBay sales as a business, and subsequently are disappointed in the results. To launch a successful and profitable eBay business, the detailed instructions in this book will show you how to get started. It will help you determine what kind of business you want to run, write an action-oriented business plan, establish an effective accounting system, set up a home office, obtain starting inventory, arrange initial funding, establish an eBay presence, and arrange for automated post-auction management. This book is a step-by-step guide for anyone serious about making money from their eBay sales. Unlike other computer-oriented titles, this is a straight-ahead business book that shows how to set up and run different types of eBay businesses, and how to maximize sales and profits while doing so. This book includes a section titled Choosing Your eBay Business that details six different types of eBay businesses you can start. Included in this section is a chapter on eBay Trading Assistants (AKA drop-off stores or consignment stores), which is the newest form of an eBay business.

**The Art of Gathering** Priya Parker, 2020-04-14 Hosts of all kinds, this is a must-read! --Chris Anderson, owner and curator of TED From the host of the New York Times podcast Together Apart, an exciting new approach to how we gather that will transform the ways we spend our time together—at home, at work, in our communities, and beyond. In *The Art of Gathering*, Priya Parker argues that the gatherings in our lives are lackluster and unproductive--which they don't have to be. We rely too much on routine and the conventions of gatherings when we should focus on distinctiveness and the people

involved. At a time when coming together is more important than ever, Parker sets forth a human-centered approach to gathering that will help everyone create meaningful, memorable experiences, large and small, for work and for play. Drawing on her expertise as a facilitator of high-powered gatherings around the world, Parker takes us inside events of all kinds to show what works, what doesn't, and why. She investigates a wide array of gatherings--conferences, meetings, a courtroom, a flash-mob party, an Arab-Israeli summer camp--and explains how simple, specific changes can invigorate any group experience. The result is a book that's both journey and guide, full of exciting ideas with real-world applications. The Art of Gathering will forever alter the way you look at your next meeting, industry conference, dinner party, and backyard barbecue--and how you host and attend them.
