*The Wife Desired* Fr. Leo Kinsella, The role of the girl in life is the most glamorous and fascinating in all the world. To the nomads of the East she is the “little gazelle” and to the Japanese the “plum blossom.” In the Book of Proverbs she is the “dearest hind and most agreeable fawn.” Jewels, sapphires and rubies, are her eyes and lips. The softness of a spring morning are in her words. Her smile is as the splendor of the rising sun. Of all the creatures in the world she is made by God the most beautiful. She is the incarnation and summation of all the flowers of nature. No man ever spoke more truth than when he whispered into the ear of his beloved that she was divine. She is an image, a spark of divinity given to us in life as a preview of things to come. She is yielding, helpless, yet divine. To whom God has given much, from her much is expected. Of no other creature is so much demanded. She is to be the helpmate of man the mother of his children. She is to keep his home to comfort him in loneliness and weariness, and to bring him back to health when sick. This appraisal of the part a girl plays in life may seem to some flattering. Yet, it is sincerely made. Actually this judgment of the ladies is more challenging than flattering, for what girl could fail to desire to measure up to this appraisal in the eyes of her husband? Countless young wives have merited from their husbands the esteem that they were the most glamorous and fascinating creatures in all the world. Unfortunately too many girls have failed to do so, and thus experience the misery of an unhappy, if not broken, marriage. The purpose of this book is to show the girl, the young wife how she may easily have success and happiness in marriage, being in the eyes of her husband “the dearest hind and most agreeable fawn.” This classic includes the following chapters: 1. The Wife Desired Is an Inspiration to Her Husband 2. The Wife Desired Has Personality 3. The Wife Desired Is Patient 4. The Wife Desired Is a Physical Being 5. The Wife Desired Has a Sense of Humor 6. The Wife Desired Is a Companion to Her Husband 7. The Wife Desired Is Religious

Later, as you're about to get back to work, a colleague taps you on the shoulder to chat. At home, screens get in the way of quality time with your family. Another day goes by, and once again, your most important personal and professional goals are put on hold. What would be possible if you

followed through on your best intentions? What could you accomplish if you could stay focused? What if you had the power to become undistractable? International bestselling author, former Stanford lecturer, and behavioral design expert, Nir Eyal, wrote Silicon Valley's handbook for making technology habit-forming. Five years after publishing *Hooked*, Eyal reveals distraction's Achilles' heel in his groundbreaking new book. In *Indistractable*, Eyal reveals the hidden psychology driving us to distraction. He describes why solving the problem is not as simple as swearing off our devices: Abstinence is impractical and often makes us want more. Eyal lays bare the secret of finally doing what you say you will do with a four-step, research-backed model. *Indistractable* reveals the key to getting the best out of technology, without letting it get the best of us. Inside, Eyal overturns conventional wisdom and reveals: Why distraction at work is a symptom of a dysfunctional company culture—and how to fix it What really drives human behavior and why time management is pain management Why your relationships (and your sex life) depend on you becoming undistractable How to raise undistractable children in an increasingly distracting world Empowering and optimistic, *Indistractable* provides practical, novel techniques to control your time and attention—helping you live the life you really want.
