**Music Is Your Business** Christopher Knab, Bartley F. Day, Sue D. Cook, 2013 New Edition! Completely Updated and Expanded This book takes the mystery out of the NEW music business! The music industry has changed dramatically in the last five years. You need the latest information on how the music industry is set up, and you need legal information that is current, accurate, and targeted to independent record labels and musicians-whether you're an experienced performer or just starting out. Music industry veteran Christopher Knab's honest, no-nonsense information empowers you to sell, promote, publicize, and perform your music. Learn how to work with industry professionals, prepare a career plan and publicity campaign, connect with your fanbase, grab the attention of distributors, get radio airplay, negotiate offers for live performances, and create a demand for your music with traditional methods and social networking strategies. Entertainment law attorney Bartley F. Day's straight-to-the-point legal chapters include Making Sense of Music Industry Contracts, Recording a Cover Version, Trademarking Band Names, Insider Tips for Hiring a Music Attorney, Filing Copyright Applications, Recording Contract Advances and Royalty Rates, and a new chapter on the controversial 360 Deals now offered by many record labels. This edition is filled with brand new topics like Radio's Reasons Not to Play a Record, and updated favorites like, Ten Reasons Why Musicians Fail (and How Not To), and Con Jobs: Watch Out for the Flim-Flam Man. There's a sample Four Front Music Marketing Plan, a Distributor One-Sheet, a Band Tour and Work Schedule, a Band Bio, and much, much more. At 343 pages, this edition is over 70 pages longer than the 3rd edition. Newly revised, illustrated, and indexed, the 4th edition of Music Is Your Business is the essential book for independent musicians and record labels, and is used as a college and university textbook.

*The Pocket Lawyer for Filmmakers* Thomas A. Crowell,2007 Independent filmmakers face various questions every day, but they don't have the legal training to answer them, nor do they have enough money to call an entertainment lawyer every 5 minutes. This book provides answers to hundreds of questions. It helps filmmakers understand what's legal, what's questionable and when they need to call in a lawyer.

**Film Production Management** Bastian Cleve,2012-10-02 Film Production Management will tell you in step-by-step detail how to produce a screenplay and get it onto the big screen. Whether you are an aspiring or seasoned film professional, this book will be an indispensable resource for you on a day-to-day basis. This updated edition remains true to the practical, hands-on approach that has made previous editions so successful, and has been updated with revised forms, permits, and budgets applicable to all productions; contains important information on standards and typical processes and practices; includes the latest information available on technological advances such as digital FX; and discusses the impact of the Internet on filmmaking. Film production professionals at all levels of experience will benefit from the information in this handbook to film production management.

*Independent Producers' Guide to Film and TV Contracts* Philip Alberstat,2000 A reference tool on the legal issues associated with film and television production. It contains examples of typical legal agreements which independent producers, writers and others involved in the film and TV industry are faced with during the course of setting up a film or TV production.

**Music, Money and Success** Jeffrey Brabec,Todd Brabec,2011-07-18 The Insider's Guide to Making Money in the Music Industry. Millions dream of attaining glamour and wealth through music. This book reveals the secrets of the music business that have made fortunes for the superstars. A must-have for every songwriter, performer and musician.

**Raindance Producers' Lab Lo-To-No Budget Filmmaking** Elliot Grove,2012-11-12 If you're looking for clear-cut information on how to make a film on a minimal budget that is based on tried and tested techniques - look no further. Elliot Grove has worked on hundreds of low-budget productions, teaches Lo-to-No Budget filmmaking courses and runs the Raindance Film Festival (the largest independent film festival in Europe.) His wealth of teaching and filmmaking experience combined with knowledge of the winning formulas that work is the basis of this book. Refreshingly clear, no-nonsense tricks of the trade. The free CD provides all the contracts and material you need to run a production company and make successful low budget movies; how to schedule, budget and break down a script and how to get it shot with what you have, not what you want. This is a must have read for filmmakers serious about making and selling films. Creative and technical expertise coupled with a behind the scenes look at the film industry makes this book an excellent starting point for beginners. For experienced filmmakers there are plenty of practical approaches in here for you to try, from developing CV's, showreels and business plans to information on pitching, raising finance, creating publicity and much much more. Use it as a point of

departure or as an everyday reference tool. The accompanying CD-ROM contains sample budgets, publicity plans, trailers and interviews.

*The Independent Film Producers Survival Guide: A Business and Legal Sourcebook* Gunnar Erickson, Harris Tulchin, Mark Halloran, 2011-08-01 In this comprehensive guidebook, three experienced entertainment lawyers tell you everything you need to know to produce and market an independent film from the development process to deal making, financing, setting up the production, hiring directors and actors, securing location rights, acquiring music, calculating profits, digital moving making, distribution, and marketing your movie.

**Legal Guide on Contract Farming** Food and Agriculture Organization of the United Nations, 2018-06-26 Contract farming, broadly understood as agricultural production and marketing carried out under a previous agreement between producers and their buyers, supports the production of a wide range of agricultural commodities and its use is growing in many countries. Mindful of the importance of enhancing knowledge and awareness of the legal regime applicable to contract farming operations, the International Institute for the Unification of Private Law (UNIDROIT), the Food and Agriculture Organization of the United Nations (FAO) and the International Fund for Agricultural Development (IFAD) have prepared this UNIDROIT/FAO/IFAD Legal Guide on Contract Farming. The Guide is a useful tool and reference point for a broad range of users involved in contract farming practice, policy design, legal research and capacity building. It can contribute as well to create a favourable, equitable and sustainable environment for contract farming.

**The Music Business Contract Library** Greg Forest, 2008 (Reference). The indispensable resource for anyone in the music business. Every business arrangement in the music industry comes down to the written agreement between the parties engaged in the project at hand. When you're co-writing with other songwriters or making publishing agreements, recording agreements with independent record labels, or film sync license agreements for music used in TV, film, the Internet and commercials, what is in writing is what ultimately governs the deal with you and your business. Whether you are the publisher, label, studio, producer, engineer, or artist, The Music Business Contract Library contains over 125 different contract templates and forms that you need, along with Greg's professional experience in commentary on how he has used them and why. This massive library comes with a CD-ROM, which delivers over 125 forms in fully editable Microsoft Word format for use in your own business.

*The Art of Music Production* Richard James Burgess, 2013-10 In this book, veteran music producer Richard James Burgess gives readers the tools they need to understand the complex field of music production. He defines the many roles that fall to the music producer by focusing first on the underlying theory of music production, before offering a second section of practical aspects of the job.
