The Expert Landlord David Beattie,2018-02-15 You have a residential investment property. Perhaps you are already renting it out. But are you doing it like a pro and do you know how to maximise your return from it? In this book, property management expert David Beattie distils two decades of experience into easy-to-implement steps and shows you how to manage your property like a professional landlord. His goal is to help you make more money in less time and with fewer hassles, by showing you how to run your property investment like a business; navigate and comply with South African rental laws with ease; attract, screen, place and keep high-quality tenants; ensure successful and consistent rent collection; and maintain your property with the least effort and money. The book also includes templates for all the documents the prospective landlord needs.

Principles of Accounting Volume 1 - Financial Accounting Mitchell Franklin, Patty Graybeal, Dixon Cooper, 2019-04-11 The text and images in this book are in grayscale. A hardback color version is available. Search for ISBN 9781680922929. Principles of Accounting is designed to meet the scope and sequence requirements of a two-semester accounting course that covers the fundamentals of financial and managerial accounting. This book is specifically designed to appeal to both accounting and non-accounting majors, exposing students to the core concepts of accounting in familiar ways to build a strong foundation that can be applied across business fields. Each chapter opens with a relatable real-life scenario for today's college student. Thoughtfully designed examples are presented throughout each chapter, allowing students to build on emerging accounting knowledge. Concepts are further reinforced through applicable connections to more detailed business processes. Students are immersed in the why as well as the how aspects of accounting in order to reinforce concepts and promote comprehension over rote memorization.
