Photoshop for Games Shawn Nelson, 2015 Most game artists use Photoshop to work out idea as much as to create a final product that can be used in a game. There are many ways to work efficiently in the program that can be tapped for a workflow that keeps artists productive and sane. This book takes an approach to creating assets in Photoshop that both beginners and intermediates will find refreshing. Where other books focus on Photoshop lessons or on the basics of drawing, *Photoshop for Games* gives you many hands-on lessons for developing artwork that can be adapted for many purposes. Full of inspiring projects, readers will find examples from comic, realistic, graphic styles, and more. Downloadable project files and videos accompany some of the tutorials so that readers can dive deeper on topics. Whether they are developing games for consoles, mobile devices, or the Web, game artists from all backgrounds will learn the best practices to game art creation in Photoshop.

Debussy Stephen Walsh, 2018-10-23 One of the most revered composers of the twentieth century, Claude Debussy (1862-1918) achieved the unheard of: he reinvented the language of music without alienating the majority of music lovers. Debussy drove French music into entirely new regions of beauty and excitement at a time when old traditions threatened to stifle it. Yet despite his profound influence on French culture, Debussy's own life was complicated and often troubled by struggles over money, women, and ill health. Here, Stephen Walsh, acclaimed author of *Stravinsky*, chronicles both the composer himself and the unique moment in European history that bore him. Walsh's engagingly original approach is to enrich a lively biography with analyses of Debussy's music: from his first daring breaks with the rules as a Conservatoire

student to his achievements as the greatest French composer of his time.

The Power of Flexing Susan J. Ashford,2021-10-05 A leadership and learning expert shows you how to change your behavior, develop soft skills, and achieve personal and professional growth through a series of small experiments she calls “Flexing.” A personnel shift at your organization puts you into a leadership role you don't feel prepared for. Your boss tells you that you seem aloof and unapproachable in client meetings. You need to win the support of the members of a local community group for a project you feel passionate about. Addressing these diverse issues depends on improving your soft skills—such as time management, team building, communication and listening, creative thinking, and problem-solving. But this isn't as easy as it may seem. Sue Ashford, the chair of the Management and Organizations group at the Ross School of Business, has the solution. In this timely book, she introduces Flexing—a technique individuals, teams, and entire organizations can use to learn, grow, and develop their skills and knowledge with every new project, work assignment, and problem. Flexing empowers you to embrace any challenge and adapt to any change, yielding practical, valuable takeaways that ensure growth. Flexing helps you move ahead when you're confronted with a new challenge, or simply want to develop a vital skill. It's a journey that begins with setting a flex goal—stating explicitly what you want to learn and how you want to grow. Once that flex goal is set, you then begin to run experiments, solicit feedback from peers or colleagues, and monitor and tweak your progress on the way to achieving your goal. Flexing can be tailored to each person, allowing you to reflect on your own experiences and incorporate the lessons you learn in the next project you tackle. It's a growth mindset that will help you become the best version of yourself. Flexing also works with teams and organizations. Ashford teaches small groups and large how to implement flexing to ensure their members are ready for new challenges. With more people moving to remote working full-time and developing new ways of collaborating in teams, this warm and practical guide will help every professional and any organization on the journey to greater effectiveness.

The King of Violins M.G. Crisci,Cheng Ken Chi, Ph.D.,2021 HOW CHINA'S MOST CELEBRATED VIOLIN PRODIGY

BECAME AN ENEMY OF STATE. The King of Violins is the heartbreaking story of China's most celebrated violin prodigy, Ma Sicong, who composed his first concerto at the age of 12. During his career, this gentle, dignified man composed 57 of the world's best-known symphonies and concertos and performed in front of hundreds of sold-out audiences across the globe. Chairman Mao Zedong declared Ma Sicong a national treasure and nicknamed him The King of Violins. Soon, Chairman Mao's brutal Cultural Revolution distorted the truth of Ma's life and work. He is forced to wear a dunce cap, and is publicly humiliated and physically abused by cadres of Red Guards as a vile product of bourgeois thinking. Ma and his family make a breath-taking escape in the darkness to America. After Chairman Mao died in 1976, the real circumstances of Ma's poignant, bittersweet life were buried in the pages of history by an embarrassed Chinese government. Eleven years later, Ma died at the age of 76 in Philadelphia. The King of Violins, written in cooperation with all of Ma's remaining family members, and is the first politically balanced life story about this generous, conflicted musical genius. (Contains 89 rare vintage photographs).

Invention in PR Adam Ritchie,2022-06-28 A handbook for pushing the limits of PR to inventing things, rather than only promoting them. When PR teams live or die on the success or failure of the products and services they support, Invention in PR shows how they can take a stronger hand in their creation. This book says the profession can do better than waiting for someone else to determine, develop and package what a company sells. It spurs PR pros to go beyond what they're handed and come up with new products and services that change a brand's life. Through tales of award-winning campaigns passionately told by their creator, readers learn how to apply invention at the beginning of the PR process and take away usable strategies and tactics. With PR under constant pressure to evolve, communications pioneer Adam Ritchie uncovers practitioners' aptitude for invention and empowers them to harness it. For PR professionals ready to rebel against taking a back seat to their counterparts in marketing and advertising, Invention in PR teaches them how to beat every other discipline to the punch by coming up with the product or service idea first. This guide will fire up professionals of all generations about what they can build. It will change the way experienced pros approach their jobs, and inspire students to break the rules in the best possible ways.

The Sugar Skull Tarot Deck and Guidebook David A Ross,2021-09-28 Whether it's the Magician shooting the sugar skull bullseye each time, the High Priestess seeing her reflection in the water (thus revealing her inner truth in the form of a sugar skull), or the Fool feeling confident that he will create and manifest the perfect sugar skull by the time he finishes his journey, we all have an unrealized version of our true potential lying in wait. Let the light-hearted illustrations and color palettes of The Sugar Skull Tarot Deck offer you all the inspiration you need to be the best person you can truly be. So when you are finally reflecting on the outside how you've been feeling on the inside, you will be presented to the world as you've always seen yourself-confident, magical, and ready to give and receive love--

From Start to Stardom Lisa London,Lisa London Csa,Rochell Goodrich,2013-12-20 "Best book EVER! Lisa really gives

us the inside track on how to make it as an actor! There's so much to learn when getting started in Hollywood and this book is smart, concise and very insightful! A TRUE must-have for every parent and actor!" Tish Cyrus (Miley's Mom) Lisa London has been discovering new talent for over 20 years in her role as a top Hollywood Casting Director. Her experience with Hollywood began earlier during her childhood years when she accompanied her famous father, Television Director Jerry London, to the sets. Even then, she had an eye for talent as she watched well-known actors work. Lisa discovered and/or cast early in their careers, such notable actors as, Miley Cyrus, Jennifer Aniston, Jonah Hill, Emma Stone, Giovanni Ribisi, Victoria Justice, Selena Gomez, Megan Hilty, Ryan Phillippe, Mark Ruffalo Mariska Hargitay and many others. In this book, she will take you on a step by step journey, laying out what you need to know to have the best shot at stardom. Never before have so many details and insider secrets been revealed in such a way that is easy to understand and apply. The key to your success as a professional actor may be just be a chapter away. - How do you get started as an actor? - How to make the most of your headshots and resume? - When and how do you get an agent or manager? - Charisma over credits, which is more important? - Steps on how to audition. - How to find resources regardless of where you live. - What does a casting director look for? - Why do some actors get call backs and most do not? - Plus interviews with working Hollywood professionals and more... "What a great book - Lisa tells it like it is. I followed much of her advice and ended up making my dream come true of being on a Disney Channel series." Adam Irigoyen (Shake It Up) "As both an Actor and Executive Producer, I think Lisa's book is fantastic! She really explains the process of casting so an actor can understand what they need to do. As a former 3-Time NBA World Champion, I know a winner when I see one. 'From Start to Stardom' is your key to a successful career."Rick Fox, Actor and Executive Producer Today as never before thanks to computers, the internet and digital video, anyone in North America and even the world can audition for TV or film roles. This book will give you the basic, professional level information necessary to be taken seriously by the Casting Directors, Agents and Managers that are the gatekeepers of the entertainment industry. "Lisa London is a phenomenal resource for any actor, both new and seasoned, and her book is a wonderful tool and must-have for those wanting to know what's what in the entertainment industry."Sarah Shyn, Manager, 3 Arts Entertainment "Lisa's book From Start to Stardom is an invaluable and amazing tool for actors of any age. I have known Lisa London for 20 years and she is a true gift to the entertainment business. Lisa is a wealth of information and she is one of the few people in Hollywood that cares." Cindy Osbrink, Owner/Agent - The Osbrink Agency I wish this book was available when I graduated from college and started auditioning. It's so great to hear this advice from a casting director's perspective. And Lisa is the best! I should know - she gave me my first TV job and we've been friends ever since!Megan Hilty (Sean Saves The World, Wicked)

Fig Pudding Ralph Fletcher,2013-09-03 Clifford Allyn Abernathy III (just Cliff, for short) is the oldest of six kids in a family that does everything—fighting, laughing, playing, eating, telling stories, and celebrating the holidays—in a big, often

outlandish, and sometimes poignant way. Taking the family from Christmas to Christmas, the chapters of Fig Pudding, narrated by eleven-year-old Cliff, are complete short stories in themselves. Read together, they tell the tale of life in a large, loving family. Besides a fresh look, this edition includes a brand new story.

Start with Why Simon Sinek, 2011-12-27 The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. START WITH WHY asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. START WITH WHY shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

Unfold This Moment Martin Herbert, 2020-03-24 An examination of the work of the artist Carol Bove that opens into wider questions of artistic conduct and inspiration. Unfold This Moment explores the work of Carol Bove, one of the most inventive and protean artists of her generation, whose practice has expanded—via numerous stylistic evolutions over two decades—from ethereal drawings of Playboy models to towering crushed-metal sculptures. Considering both her art and her life, this book offers a linear history of a figure who doesn't believe in linear time—her work evokes multiple temporalities simultaneously—and who harbors covertly radical ambitions for what art might do to the viewer's mind and body—not least how, without slipping into esotericism, it might serve as a gateway to meditative states. The text refocuses Bove's artistic output into a prism for wider questions of artistic conduct and inspiration: reacting resourcefully to unhelpful frameworks of reception; maintaining curiosity while performing the increasingly professionalized role of being a successful artist; realizing the value of instinct and the unconscious in creativity; being open to magical coincidences; and acknowledging the overlap between the intellectual territory of contemporary art and some of the oldest spiritual philosophies.

Black Ivy: a Revolt in Style ,2021-10-12 How Black culture reinvented and subverted the Ivy Look From the most avant-garde jazz musicians, visual artists and poets to architects, philosophers and writers, Black Ivy: The Birth of Coolcharts a period in American history when Black men across the country adopted the clothing of a privileged elite and made it their own. It shows how a generation of men took the classic Ivy Look and made it cool, edgy and unpredictable in ways that continue to influence today's modern menswear. Here you will see some famous, infamous and not so famous figures in Black culture such as Amiri Baraka, Charles White, Malcolm X, Martin Luther King Jr., James Baldwin, Miles Davis, John Coltrane and Sidney Poitier, and how they reinvented Ivy and Prep fashion--the dominant looks of the time. The real stars of the book--the Oxford cloth button-down shirt, the hand-stitched loafer, the soft shoulder three-button jacket and the perennial repp tie--are all here. What Black Ivyexplores is how these clothes are reframed and redefined by a stylish group of men from outside the mainstream, challenging the status quo, struggling for racial equality and civil rights. Boasting the work of some of America's finest photographers and image-makers, this must-have tome is a celebration of how, regardless of the odds, great style always wins.

Cambion's Law Erin Fulmer,2024-02 When the masks come off, only one law matters... Half-human. Half-succubus. All work and no play. Ambitious prosecutor Lily Knight fights like a demon in the courtroom, but she's as dangerous to herself as others. Touch-starved by choice, she refuses to live beholden to any lover. Innocent doesn't describe Sebastian Ritter's craving for dominance in bedroom and boardroom. But one brush of his fingers over her skin tells Lily that he didn't commit the horrific crime he's charged with. With her life and secrets on the line, Lily races to find the real culprit. From the infuriating incubus who taught her to tempt and take, to intrigues and indiscretions at a masked cabaret, each unraveling thread entangles her further in a perilous game of seduction and lies. To survive, she must embrace her power, unleash her hunger, and surrender control...at the risk of becoming the monster she fears most of all. Cambion's Law offers trope-flipping paranormal suspense, modern noir fantasy, and dark romantic tension with a slow burn, subversive power dynamic grounded in mutual consent. Perfect for fans of Book of Azrael, Ninth House, and TV's Jessica Jones or Lucifer.
