President of Purepost, a next-generation staffing solution and public benefits corporation, and author Matthew J. Louis guides military personnel through the entire process of making a successful move into civilian professional life. In *Mission Transition*, this book will: Guide you through the process of discovering what path you want to take going forward Teach you the strategies that will make your résumé stand out Provide suggestions to help you prepare for and ace the interview Discuss ways to acclimate to your new organization's culture and pay it forward to other veterans Each chapter includes advice from other veterans, illustrations of key concepts, summaries, and suggested resources.
