How to Write the Perfect Sales Page (Even If You're Not a Copywriter): The 12-Step Sales Page Template Nathan Fraser, 2019-03-20 Stop wasting money, sending traffic to a webpage that doesn't convert. Stop paying expensive copywriters who may or may not have any idea what they're doing. Stop staring at a blank screen, frustrated and clueless when it comes to writing your own sales page. In the past, these were your only options. All of that's about to change. My name's Nathan Fraser and I'm a direct response copywriter. That means I write sales letters and advertisements with a focus on persuading people to buy. As more and more business moves to the internet, it means I'm also writing a lot more sales pages. Over the years, I've developed a formula for laying out sales pages that seems to work every time. The 12-Step Sales Page Template is that formula. I've used this template to bring in hundreds of thousands of dollars in sales for myself and my clients. It's worked for selling software, services, products, online courses and anything else you can imagine. I've taken lessons passed on from the masters of copywriting and applied it to how things get sold on the internet; namely, sales pages. This easy-to-follow guide breaks down how a sales page should function, step-by-step. In it, you'll discover: - How to grab attention with your headlines - How to keep people reading with your hooks- Why orange tennis balls are easier to sell than green ones (and

how to use that information to make more sales of your own)- 10 different ways to write bullets that people can't ignore- Where the exact perfect place to put your Buy Now button is- A list of deal-killing words you never want to include on your sales page- 3 ways to increase the perceived value of your offer by adding a little bit of scarcity- How to make complete strangers feel comfortable with handing you their money- And a whole lot more This is the guide I wish I'd had when I first started selling things on the internet. If you've got an online business or an online store, this template will help you start pulling in more sales. Read it. Implement it. Start living the life of an online entrepreneur, today.

All false, says this provocative book. Neil Rackham and his team studied more than 35,000 sales calls made by 10,000 sales people in 23 countries over 12 years. Their findings revealed that many of the methods developed for selling low-value goods just don't work for major sales. Rackham went on to introduce his SPIN-Selling method. SPIN describes the whole selling process: Situation questions Problem questions Implication questions Need-payoff questions SPIN-Selling provides you with a set of simple and practical techniques which have been tried in many of today's leading companies with dramatic improvements to their sales performance.
