*Communicating for a Change* Andy Stanley, Lane Jones, 2008-08-19 When You Talk, Are People Changed? Whether you speak from the pulpit, podium, or the front of a classroom, you don't need much more than blank stares and faraway looks to tell you you're not connecting. Take heart before your audience takes leave! You can convey your message in the powerful, life-changing way it deserves to be told. An insightful, entertaining parable that's an excellent guide for any speaker, *Communicating for a Change* takes a simple approach to delivering effectively. Join Pastor Ray as he discovers that the secrets to successful speaking are parallel to the lessons a trucker learns on the road. By knowing your destination before you leave (identifying the one basic premise of your message), using your blinkers (making transitions obvious), and implementing five other practical points, you'll drive your message home every time! "Long ago, in a galaxy far, far away..." "Once upon a time..." "In the beginning..." Great stories capture and hold an audience's attention from start to finish. Why should it be any different when you stand up to speak? In *Communicating for a Change*, Andy Stanley and Lane Jones offer a unique strategy for communicators seeking to deliver captivating and practical messages. In this highly creative presentation, the authors unpack seven concepts that will empower you to engage and impact your audience in a way that leaves them wanting more. "Whether you are a senior pastor with weekly teaching responsibilities or a student pastor who has been charged with engaging the hearts and minds of high school students, this book is a must-read." -Bill Hybels, Senior pastor, Willow Creek Community Church "A very practical resource for every biblical communicator who wants to go from good to great." -Ed Young, Senior pastor, Fellowship Church, Grapevine, Texas "To communicate effectively, you have to connect. Andy has been connecting with people for years, and now he's sharing his insights with the rest of us." -Jeff Foxworthy, Comedian Story Behind the Book Andy Stanley and Lane Jones are on staff at one of America's largest churches, North Point Community. Leaders of thousands of people, they regularly speak in front of large groups. They also listen to numerous speakers and know the disastrous effects of a poorly delivered message. This book is the result of their efforts to make public speaking—one of the most common fear-inducing activities known to mankind—simple, easy, and even enjoyable, so that God's messages will readily produce the life-changing results they should.

**Preaching Killer Sermons** Lane Sebring, 2016-04-19 Lane provides practical tools to help pastors deliver engaging messages. Anyone who preaches or teaches will benefit from this book. -Mark Batterson, New York Times bestselling Author of *The Circle Maker*, Lead Pastor of National Community Church. Today's audiences are more distracted than ever, but sermons can only be effective if people are listening. You have to capture people's attention. But how? In *Preaching Killer Sermons*, author and pastor Lane Sebring reveals practical preparation and delivery techniques that will enable you to better connect with your listeners. Discover how to: -Capture and maintain the interest of your listeners -Structure each sermon for the greatest impact -Maximize your prep time on a tight schedule -Overcome distractions & communicate with clarity -Inspire people toward life-change If you want to discover practical methods to communicate clearly every time you preach, this book is for you. What church leaders are saying about *Preaching Killer Sermons*: Lane has written a very helpful, practical book for preachers and teachers. I think there are two great sins in preaching: misusing the text and boring your audience. In teaching pastors and seminary students, I find there are plenty of resources and attention given to avoid the first great sin. But there is a lack of resources on how not to bore people. And too many preachers feel that if they have rightly divided the Word of Truth, they have done everything God requires them to do. I think accuracy and effectiveness are equally important in preaching. *Preaching Killer Sermons* is a great resource to help pastors truly be effective in communicating the powerful truth of God's Word. I plan to start using this with the preaching students I teach. -David Whiting, Executive Search Consultant, Vanderbloemen, former Lead Pastor, Northridge Church, Rochester, NY The hardest thing I do each week is not leadership development or pastoral care - it's crafting a message which will communicate truth in an engaging and impactful way. I genuinely want to get better at what I believe is God's greatest call on my life. I'm thankful for Lane's heart to help us be better preachers. I'm thankful for this book. -Ron Edmondson, Senior Pastor, Immanuel Baptist Church, Lexington, KY, Church leadership blogger, RonEdmondson.com Pastor Lane Sebring has done an outstanding job of reverse engineering the great sermon. His efforts will help all who preach to preach better prepared sermons, and become better prepared communicators. *Preaching Killer Sermons* should be included reading in homiletics courses around the world. -Brett Fuller, Senior Pastor, Grace Covenant Church, Chantilly, VA Chaplain, Washington Redskins If you are a communicator in the local church you need to pick up this book. Lane brings practical insights and helpful encouragement on every page. Pick it up ... and apply the lessons contained within. -Rich Birch, unSeminary, Executive Pastor, Liquid Church, Mountainside NJ The concepts Lane shares in this book have helped sharpen my effectiveness in communicating the content of God's inerrant Word! I would highly recommend this book to both the novice and the experienced preacher. -Dr. Billy Ross, Senior Pastor, Centreville Baptist Church, Centreville, VA Trustee, The Southern Baptist Theological Seminary I serve on a Teaching Team with Lane, so I watch him live out *Preaching Killer Sermons* each week. Lane's heart is to communicate God's

Word in culturally relevant and engaging ways. Now he's sharing his passion in a book full of practical tools to help preachers (and teachers/speakers). You'll hear his heart as he challenges you to examine and refine your own preaching habits. -Elaine Bonds, sought after speaker, Graduate, Proverbs 31 She Speaks and CLASeminars

The Four Pages of the Sermon Paul Scott Wilson,2010-09-01 Doing justice to the complexity of the preaching task and the questions that underlie it, Wilson organizes both the preparation and the content of the sermon around its four pages. Each page addresses a different theological and creative component of what happens in any sermon. Page One presents the trouble or conflict that takes place in or that underscores the biblical text itself. Page Two looks at similar conflict--sin or brokenness--in our own time. Page Three returns to the Bible to identify where God is at work in or behind the text--in other words, to discover the good news. Page Four points to God at work in our world, particularly in relation to the situations described in Page Two.

**A Treatise on the Preparation and Delivery of Sermons** John Albert Broadus,1874

*Preaching* John F. MacArthur,Master's Seminary Faculty,2005-08-21 Many sermons preached today lack the divine knowledge and spiritual understanding available only through dynamic expository preaching. In *Preaching: How to Preach Biblically*, John MacArthur'' well-known passion for the Bible combines with the expertise of faculty members at The Master's Seminary to inspire and equip preachers in effective biblical preaching. *Preaching: How to Preach Biblically* flows from biblical foundations for expository preaching through a detailed process of developing expositions and creating sermons to the actual delivery of expository messages, connecting what pastors learn in seminary with the sermons preached in a local church. This volume shows how to progress purposefully from one phase to the next in preparing to minister to God's people through preaching. This book answers these questions and more: What is expository, biblical preaching? What are the theological and historical foundations for insisting on expository preaching? What are the steps involved in preparation for and participation in biblical preaching? What models exist for expository preaching today? The Master's Seminary faculty, with over thirty years' experience in preaching and seminary training of preachers, contributes a treasury of expertise alongside insights from expositor John MacArthur. While united on their commitment to exposition, the variety of individual expressions and methodological preferences discussed offers beneficial assistance for any preacher seeking a higher level of expository excellence.

*On Preaching* H.B. Charles, Jr.,2014-04-15 *Preaching Magazine's 2015 Book of the Year* If you are a pastor, you know the importance of preaching. You have spent time learning and refining the art of preaching because it is vital to the life of God's people—including the preacher. But you probably also find it challenging. *On Preaching* is a masterful resource that will refresh your soul and revitalize your preaching ministry. Drawing upon Scripture and years of preaching experience, H. B. Charles offers a practical resource for pastors, seminarians, church planters, and Bible teachers that is full of energy and

wonderfully enjoyable. He gives tips like, Avoid indecent exposure—get your wife's permission before using your family in the message and Illustrate! A good illustration is like a window on a house. It helps your listeners see in or out. Written in a very clear and concise manner, this resource is formatted into 30 short chapters that can easily be read as a devotional. On Preaching will encourage seasoned preachers to dig deeper into the basics as they pause and reflect on the effectiveness of their ministry. It will also serve as a spring board for those who are just beginning a preaching ministry.

**Developing Female Leaders** Kadi Cole,2019-03-05 What would your church look like if it maximized the dormant gifts of the women God has brought there? Discover how to develop and leverage the leadership abilities of women within your congregation. Leadership and people development veteran Kadi Cole offers a practical strategy to help church and organizational leaders craft cultures that facilitate the development of women as volunteer and staff leaders. In *Developing Female Leaders*, Cole shares eight easy-to-implement “best practices” that help accelerate a woman’s organizational contribution, such as: Seek to understand Clearly define what you believe Mine the marketplace Integrate spiritual formation and leadership development Be an “other” Create an environment of safety Upgrade your people practices Take on your culture Combined with current research, thorough appendices and references add even more guidance for setting vision, milestones, and goals. Using interviews and surveys of more than one thousand women in key church and organizational roles, *Developing Female Leaders* is a one-of-a-kind resource for identifying what is missing today in your church to help it flourish in the future.

**Backstory Preaching** Lisa Cressman,2018-05-08 Instead of being a dour task on the checklist, what if the process of homily prep renewed you? Instead of feeling insecure about your message, what if your skills made you confident to preach a consistently clear message of Good News, authentic to you, relevant to your listeners, holding their attention and inviting transformation? *Backstory Preaching: Integrating Life, Spirituality, and Craft* shows you how. By integrating your life and spirituality with the practical skills necessary for effective preaching, you can move beyond the boredom, stress, or insecurity of preaching so it is no longer you who preach but Christ who preaches in you. By connecting with God in the midst of your sermon prep, the Gospel will be spread deeper and further. God’s joy—and yours—will be made complete.

**Redeeming Productivity** Reagan Rose,2022-10-04 Feeling overwhelmed and unproductive? The answer isn’t to do more. What image forms in your mind when you think of productivity? An assembly line? Spreadsheets? Business suits or workplace uniforms? In the ancient world, productivity didn't conjure images like these. Instead, it referred to crop yield and fruit bearing. This agrarian imagery helps us understand productivity through a biblical lens. Jesus taught, By this my Father is glorified, that you bear much fruit (John 15:8). Who doesn’t want to have a truly productive life—to bear much fruit? But how does this happen in the places we hold dear—the home, workplace, and in our communities? We often feel overworked and overrun, defeated and discouraged. The world says be productive so that you can get all you can out of this life. The

Bible says be productive so you can gain more of the next life. In *Redeeming Productivity*, author Reagan Rose explores how God's glory is the purpose for which He planted us. And he shows how productivity must be firmly rooted in the gospel. Only through our connection to Christ—the True Vine—are we empowered to produce good fruit. This book shows how we can maintain the vitality of that connection through simple, life-giving disciplines. Readers will discover manageable applications like giving God the first fruits of our days. Additionally, Reagan discusses how our perspective on suffering is transformed as we see trials as God's pruning for greater productivity.

*Conduct Gospel-Centered Funerals* Brian Croft, Phil A. Newton, 2014-06-03 Bring Gospel Hope in the Midst of Death The phone rings: "Pastor, can you do my mother's funeral?" Or, "Please help us—our baby just died." Death comes unexpectedly, giving you two to three days of time to prepare a sermon—in the midst of caring for a grieving family. This helpful book walks a pastor through the logistics of memorial services, burials, and working with funeral homes—using the four P's: Plan, Prepare, Preach, and Perform. It shows how to magnify Christ and the gospel in the midst of all the details, demands, and sorrow that surrounds the death of a loved one. The Practical Shepherding series of books provides pastors and ministry leaders with advice and practical help to do the work of pastoral ministry in a local church. In *Conduct Gospel-Centered Funerals*, experienced pastors Brian Croft and Phil A. Newton offer readers a concise guide to conducting funerals that glorify God and offer a timely message of hope.

*The End of Anxiety* Josh Weidmann, 2020-07-21 If God is All-powerful, Why Doesn't He Eliminate My Anxiety? Instead of asking this, perhaps we should ask why God is allowing it in the first place. Join pastor and biblical counselor Josh Weidmann on a journey through Scripture and his own vulnerable stories of discovering God's ultimate purpose in pain. *The End of Anxiety* is designed for individuals or small groups; each chapter begins with Scripture and finishes with practical steps you can apply for immediate relief. Your anxiety, fear, stress, and panic are not the end of you—but facing them could be the start of something great! "Read this, apply it, and find freedom from fear—forever." Ray Johnston Senior pastor of Bayside Church in Granite Bay, California

*12 Essential Skills for Great Preaching* Wayne McDill, 2006 In this newly expanded second edition of *12 Essential Skills for Great Preaching*, Dr. Wayne McDill draws on decades of experience as a preacher and homiletics professor to inspire other preachers to live up to their God-given potential. Here are twelve proven ways to pack more content and effectiveness into every sermon, covering all of the bases from general preparation to the end result of increasing each listener's faith. Recent seminary graduates and seasoned pastors alike will identify skills that need personal improvement, and McDill encourages them to strengthen such areas at their own pace and in whatever order they feel is best. Every chapter in this new edition has been revised and updated. Also included are additional worksheet helps and sermon examples.
