This book will help you to build a solid foundation by enabling you to develop your skills from the ground up by gaining essential theoretical knowledge of Liquid and putting that knowledge to use through hands-on projects. Shopify Theme Customization with Liquid begins by helping you get to grips with basic Shopify information, its interface and theme structure, setting up your Partner account, and creating a child theme, which is essential when preparing for any future work on Shopify. You'll then explore Liquid core features that will provide you with a basic understanding of the Liquid programming logic needed to develop any feature. As you advance to the latest and advanced features, you'll learn about JSON settings, allowing you to create any type of static or dynamic section - a must-have for becoming a competent Shopify developer. Finally, the book takes you through the Shopify Ajax API to gain the necessary skills needed to create a variety of dynamic features and content. By the end of this Shopify book, you'll be able to take on challenging projects to showcase your theme customization expertise to your future employer. What you will learn Discover how to use logic and data comparison operators for various types of data within Liquid Use Liquid core features such as objects, tags, and filters Find out how to customize themes using JSON settings Use metafield objects to generate unique content on any page Understand how to output the local or external media content Use Shopify's famous drag-and-drop feature to rearrange sections on a storefront Take Shopify's dynamic functionality to a whole new level using REST API endpoints Who this book is for This book is for beginners and experienced CMS developers who want to learn about working with Shopify themes and customizing those themes using Liquid. Web developers designing professional e-commerce websites will also find this book useful. Besides familiarity with standard web technologies (HTML, CSS, and JavaScript), this book requires no prior knowledge of Shopify or Liquid. The book covers everything from Shopify fundamentals and the core of the Liquid and REST APIs, all the way through to the latest Liquid features that may be new to even proficient developers.

The Definitive Guide to Shopify Themes Gavin Ballard,2017-09-08 Master the design techniques and practical skills needed to build Shopify themes and make you and your clients profitable. An increasing number of businesses use Shopify and all of them need a well-designed theme to turn visitors into customers. Designers and developers that can deliver such themes create value for their clients and customers — and get paid accordingly. Written by Shopify Plus expert Gavin Ballard, this book teaches you how to apply your existing web development skills to the development of Shopify themes. Along the way, we'll highlight the differences you will encounter and how you can use Liquid, Shopify's templating language. You will understand the key tools, workflows, principles and processes that help experienced Shopify developers build amazing themes. This book is the first dedicated to Shopify theme development and is invaluable for any web or Ecommerce professional looking to add Shopify skills to their tool belt - add it to your library today. What You Will Learn Use your existing web development skills to master Shopify themes and new technologies like Liquid and Slate Apply appropriate Shopify principles to the design of Ecommerce sites Employ strategies and technical skills to get the most out of a Shopify theme Examine advanced workflow and deployment techniques for delivering Shopify themes Who This Book Is For This book assumes familiarity with common web technologies (HTML, CSS, JavaScript) but does not assume any significant prior knowledge of Shopify themes. Anyone with existing web design and development skills will find this book invaluable in bridging the knowledge gap when starting out with Shopify theme development. There's value for those more familiar with Shopify themes as well - whether it's learning some advanced workflow and deployment techniques, becoming acquainted with Shopify's brand new theme framework Slate, or just stepping back to consider Ecommerce design principles at a higher level.

God Loves Hair Vivek Shraya,2014-08-18 A touching poetic exploration of budding sexuality, the mysticism of religion, and family dynamics. Shraya's text and Neufeld's illustrations capture the confusion, innocence, and delusions of adolescence bang on. -Brian Francis, author of *Fruit I am often mistaken for a girl. Not just because I like to wear dresses or makeup. I don't mind. My parents are from India and here is not quite home. School isn't always safe and neither is my body. But I feel safe in my love for God. And God loves hair.* First published to acclaim in 2011, Vivek Shraya's first book, now published by Arsenal Pulp Press for the first time, is a collection of twenty-one short stories following a tender, intellectual, and curious child of Indian origin as he navigates the complex realms of sexuality, gender, racial politics, religion, and belonging. Told with the poignant insight and honesty that only the voice of a young mind can convey, *God Loves Hair* is a moving and ultimately joyous portrait of youth that celebrates diversity in all shapes, sizes, and colors. A Lambda Literary Award finalist in the category of children's books. The stories are accompanied by the award-winning full-color illustrations of Juliana Neufeld. Vivek Shraya is a multimedia artist, working in the mediums of music, performance, literature, and film. He is also author of *She of the Mountains*.

Space Is Open for Business Robert C. Jacobson,2020-06 For hundreds of thousands of years, humanity focused on space as a location. Today, space is not just a destination-it is a domain, an ecosystem, an enabler of progress, and quite possibly the most valuable industry of the twenty-first century.Three things you need to know: Space as an industry is notoriously complex-which means it's misunderstood. Space influences and benefits nearly every other industry on the planet. Accessing space has never been easier.Space investor and entrepreneur Robert C. Jacobson provides a comprehensive overview of this spectacular industry, allowing everyone on Earth to understand the integral role space plays in our lives and how it will continue to transform the world. Over one hundred industry experts share exclusive insights, presenting a 360-degree view of the wide-ranging space industry, its emerging opportunities, investment potential, benefits on Earth, and more.Space Is Open for Business provides a framework for those outside of the industry to understand the critical context that led to the commercial movement known as NewSpace, illustrating how private sector trailblazers have

evolved this \$350 billion global industry and how NewSpace's exponential growth will lead our world into a new era of progress. Foreword by David S. Rose Founder, New York Angels | Associate Founder, Singularity University A sweeping guide that will inspire you to think big about space, the space economy, and your role within it. Matthew C. Weinzierl, Ph.D., Harvard Business School

Product-Led Onboarding Ramli John, 2021-06-04 When you borrow a plate from grandma, does she ask you to pay a deposit? Of course not. Likewise, blocking your non-paying (freemium) customers from the core experience of your product, is like chopping your own leg off while running a marathon. Yet, this is just one of the crucial mistakes that most SaaS companies make right off the bat. Think about it. Do YOU have... Stalled accounts taking up valuable space? Sub-par clients who only expect freebies and don't ever use the full features of your product? Low conversion from free accounts to paid? Then, you might have a shot-yourself-in-the-foot problem. In this book, you'll find the easy, 6-step formula you can apply to your operations today that can change absolutely everything. You'll be able to count your company among giants like Mixpanel, Ubisoft, and Outsystems when you: Captivate clients' attention from the get-go. Make it easier for clients to get good at using your software so they are more likely to use it. Create a fool-proof checklist to make your product go viral. Match services with behaviors, and get users addicted to your product. Win rave reviews by making clients feel like VIPs. Use this strategy at each level in your team to supercharge its effect. Rinse and repeat, and watch your business grow while you sleep. In short, you'll discover why putting your customer first is the ultimate secret to growing your company. And how you can achieve astronomical conversions and customer loyalty without even trying. Check out what others are saying:

Love at First Stitch Tilly Walnes, 2014-10-14 Simple, elegant, and a little groovy, Love at First Stitch is all you need to start making the dresses of your dreams--with 7 complete full-size patterns. Fancy making your own clothes but have no idea where to start? Tired of overwhelming sewing manuals and frumpy projects? Love at First Stitch offers a refreshing approach to dressmaking for modern makers, taking you from the basics of threading your sewing machine through creating gorgeous garments that you'll love to wear. Let Tilly Walnes inspire you with her jargon-busting tutorials, down-to-earth attitude, and adorable dressmaking style, showing you that making your own clothes is so much more enjoyable than buying them. • Build your skills and confidence one project at a time: new techniques are introduced when you need them. • Step-by-step photographs take the head-scratching out of sewing. • Includes 7 full-scale, multisize patterns, ready to be traced and used again and again. • Tilly's hints and tips for making sewing part of your lifestyle, adding your own special touch to any sewing

project, and even how to polish your signature style. Tilly Walnes demystifies dressmaking for the generations that have never been taught to sew. Written for novice stitchers by the author of the popular sewing blog Tilly and the Buttons, this book presents the sewing basics in an informal style, with Tilly's friendly and encouraging voice cheering the reader on throughout. Instead of overwhelming the novice dressmaker with theory, this book is about learning by doing. Each chapter presents practical tips and inspiration to guide you through creating a made-to-measure garment from one of the seven versatile and adaptable patterns included with the book, which can then be personalized to suit your individual style. Peppered throughout the book are Tilly's top sewing tips, including everything from what to look out for when buying--or borrowing--your first sewing machine, to how to behave in a fabric shop so that you appear like an expert, to techniques for pressing perfection.

Cravings Chrissy Teigen, Adeena Sussman, 2016-02-23 Maybe she's on a photo shoot in Zanzibar. Maybe she's making people laugh on TV. But all Chrissy Teigen really wants to do is talk about dinner. Or breakfast. Lunch gets some love, too. For years, she's been collecting, cooking, and Instagramming her favorite recipes, and here they are: from breakfast all day to John's famous fried chicken with spicy honey butter to her mom's Thai classics. Salty, spicy, saucy, and fun as sin (that's the food, but that's Chrissy, too), these dishes are for family, for date night at home, for party time, and for a few life-sucks moments (salads). You'll learn the importance of chili peppers, the secret to cheesy-cheeseless eggs, and life tips like how to use bacon as a home fragrance, the single best way to wake up in the morning, and how not to overthink men or Brussels sprouts. Because for Chrissy Teigen, cooking, eating, life, and love are one and the same.

Conversations with God for Teens Neale Donald Walsch, 2012-10-01 Suppose you could ask God any question and get an answer. What would it be? Young people all over the world have been asking those questions. So Neale Donald Walsch, author of the internationally bestselling *Conversations with God* series had another conversation. *Conversations with God for Teens* is a simple, clear, straight-to-the-point dialogue that answers teens questions about God, money, sex, love, and more. *Conversations with God for Teens* reads like a rap session at a church youth group, where teenagers discuss everything they ever wanted to know about life but were too afraid to ask God. Walsch acts as the verbal conduit, showing teenagers how easy it is to converse with the divine. When Claudia, age 16, from Perth, Australia, asks, 'Why can't I just have sex with everybody? What's the big deal?', the answer God offers her is: Nothing you do will ever be okay with everybody. 'Everybody' is a large word. The real question is can you have sex and have it be okay with you? There's no doubt that the casual question-and-answer format will help make God feel welcoming and accessible to teens. *Conversations with God for Teens* is the perfect gift purchase for parents, grandparents, and anyone else who wants to provide accessible spiritual content for the teen(s) in their lives.
