Presentation Zen Garr Reynolds, 2009-04-15 FOREWORD BY GUY KAWASAKI Presentation designer and internationally acclaimed communications expert Garr Reynolds, creator of the most popular Web site on presentation design and delivery on the Net — presentationzen.com — shares his experience in a provocative mix of illumination, inspiration, education, and guidance that will change the way you think about making presentations with PowerPoint or Keynote. Presentation Zen challenges the conventional wisdom of making slide presentations in today's world and encourages you to think differently and more creatively about the preparation, design, and delivery of your presentations. Garr shares lessons and perspectives that draw upon practical advice from the fields of communication and business. Combining solid principles of design with the tenets of Zen simplicity, this book will help you along the path to simpler, more effective presentations.

Spring **Sprint** Jake Knapp, John Zeratsky, Braden Kowitz, 2016-03-08 From inside Google Ventures, a unique five-day process for solving tough problems, proven at thousands of companies in mobile, e-commerce, healthcare, finance, and more. Entrepreneurs and leaders face big questions every day: What's the most important place to focus your effort, and how do you start? What will your idea look like in real life? How many meetings and discussions does it take before you can be sure you have the right solution? Now there's a surefire way to answer these important questions: the Design Sprint, created at Google by Jake Knapp. This method is like fast-forwarding into the future, so you can see how customers react before you invest all the time and expense of creating your new product, service, or campaign. In a Design Sprint, you take a small team, clear your schedules for a week, and rapidly progress from problem, to prototype, to tested solution using the step-by-step five-day process in this book. A practical guide to answering critical business questions, Sprint is a book for teams of any size, from small startups to Fortune 100s, from teachers to nonprofits. It can replace the old office defaults with a smarter, more respectful, and more effective way of solving problems that brings out the best contributions of everyone on the team—and helps you spend your time on work that really matters.

Ditch That Textbook Matt Miller,2015-04-13 Textbooks are symbols of centuries-old education. They're often outdated as soon as they hit students' desks. Acting by the textbook implies compliance and a lack of creativity. It's time to ditch those textbooks--and those textbook assumptions about learning In *Ditch That Textbook*, teacher and blogger Matt Miller encourages educators to throw out meaningless, pedestrian teaching and learning practices. He empowers them to evolve and improve on old, standard, teaching methods. *Ditch That Textbook* is a support system, toolbox, and manifesto to help educators free their teaching and revolutionize their classrooms.

Control Alt Achieve Eric Curts,2020-05-10 Transform Your Classroom with Tech Tools You Already Know With *Control Alt Achieve*, educational-technology wizard Eric Curts offers you the keys to revolutionizing classroom learning with the Google tools you already use. Dazzle your students by transforming Google Docs into blackout poetry, fire up creative possibilities by using Google Slides for comic strips, and make math more accessible--and fun--by turning to Google Drawings as an unlikely ally. With Eric as your guide to the technological horizons of Google tools, the possibilities are endless. With the step-by-step and easy-to-follow directions in *Control Alt Achieve*, you'll learn how to use common digital tools in unexpected ways. Whether you're new to technology or have been using Google tools for years, Eric Curts will help you innovate as you educate with ready-to-use activities that will reboot--and transform--your classroom. Reading this book is like sitting in on a presentation from one of educational technology's best presenters. Eric's writing reminds me of his sessions: comfortable and accessible for new tech users, while still valuable for experienced users. Jake Miller, @JakeMillerTech, host of The Educational Duct Tape Podcast *Control Alt Achieve* provides both practical and pedagogical strategies that go way beyond simple technology integration. This is a great handbook for any teacher looking to go beyond the how-to and shift toward a learning transformation. Ken Shelton, kennethshelton.net In this book, Eric has created a powerful method for meaningfully integrating technology into teaching and learning. His unique way of crafting technology-rich experiences will allow anyone from a novice techie to an edtech expert the ability to control, alt, achieve! Michael Cohen, the Tech Rabbi, creativity instigator and author of *Educated by Design*

Sweating Bullets Robert Gaskins,2012-04-20 PowerPoint was the first presentation software designed for Macintosh and Windows, received the first venture capital investment ever made by Apple, then became the first significant acquisition ever made by Microsoft, who set up a new Graphics Business Unit in Silicon Valley to develop it further. Now, twenty-five years later, PowerPoint is installed on more than one billion computers, worldwide. In this book, Robert Gaskins (who invented the idea, managed its design and development, and then headed the new Microsoft group) tells the story of its first years, recounting the perils and disasters narrowly evaded as a startup, dissecting the complexities of being the first distant

development group in Microsoft, and explaining decisions and insights that enabled PowerPoint to become a lasting success well beyond its original business uses.

The Writing Revolution Judith C. Hochman, Natalie Wexler, 2017-08-07 Why you need a writing revolution in your classroom and how to lead it The Writing Revolution (TWR) provides a clear method of instruction that you can use no matter what subject or grade level you teach. The model, also known as The Hochman Method, has demonstrated, over and over, that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback. Insurmountable as the challenges faced by many students may seem, The Writing Revolution can make a dramatic difference. And the method does more than improve writing skills. It also helps: Boost reading comprehension Improve organizational and study skills Enhance speaking abilities Develop analytical capabilities The Writing Revolution is as much a method of teaching content as it is a method of teaching writing. There's no separate writing block and no separate writing curriculum. Instead, teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction. But perhaps what's most revolutionary about the TWR method is that it takes the mystery out of learning to write well. It breaks the writing process down into manageable chunks and then has students practice the chunks they need, repeatedly, while also learning content.

Look Up! Nathan Bryon, 2019-06-13 Meet hilarious, science-mad chatterbox, Rocket - she's going to be the greatest astronaut, star-catcher, space-traveller that has ever lived! But... can she convince her big brother to stop looking down at his phone and start LOOKING UP at the stars? Bursting with energy and passion about science and space, this heart-warming, inspirational picture book will have readers turning off their screens and switching on to the outside world. *Winner of the UKLA Awards 2021* *Shortlisted for the Sainsbury's Children's Book Awards 2019* Outstanding - a breath of fresh air, just like Rocket herself - Kirkus Reviews Energetic and with a wry, sweet take on family dynamics, it will alert readers to the mysteries of the night skies - The Guardian

The Book of (Even More) Awesome Neil Pasricha, 2011-04-28 From the bestselling author of The Book of Awesome, You Are Awesome, and the award-winning, multimillion-hit blog 1000 Awesome Things comes even more of the little things that make us smile every day! Neil Pasricha is back with a collection of hundreds more awesome things from the website, as well as never-before-seen extraordinary moments that deserve celebration: • Letting go of the gas pump perfectly so you end on a round number • When a baby falls asleep on you • When your pet notices you're in a bad mood and comes to see you • Pulling a weed and getting all the roots with it • When your windshield wipers match the beat of the song you're listening to • When the hiccups stop • The smooth feeling on your teeth when you get your braces off • Driving from a rough road onto a smooth one • When the person you're meeting is even later than you are • That guy who helps you parallel park There's even space for you to write your very own Awesome Things in the back. Because couldn't we all use (even more) awesome?

School, Family, and Community Partnerships Joyce L. Epstein, Mavis G. Sanders, Steven B. Sheldon, Beth S. Simon, Karen Clark Salinas, Natalie Rodriguez Jansorn, Frances L. Van Voorhis, Cecelia S. Martin, Brenda G. Thomas, Marsha D. Greenfeld, Darcy J. Hutchins, Kenyatta J. Williams, 2018-07-19 Strengthen programs of family and community engagement to promote equity and increase student success! When schools, families, and communities collaborate and share responsibility for students' education, more students succeed in school. Based on 30 years of research and fieldwork, the fourth edition of the bestseller *School, Family, and Community Partnerships: Your Handbook for Action*, presents tools and guidelines to help develop more effective and more equitable programs of family and community engagement. Written by a team of well-known experts, it provides a theory and framework of six types of involvement for action; up-to-date research on school, family, and community collaboration; and new materials for professional development and on-going technical assistance. Readers also will find: Examples of best practices on the six types of involvement from preschools, and elementary, middle, and high schools Checklists, templates, and evaluations to plan goal-linked partnership programs and assess progress CD-ROM with slides and notes for two presentations: A new awareness session to orient colleagues on the major components of a research-based partnership program, and a full One-Day Team Training Workshop to prepare school teams to develop their partnership programs. As a foundational text, this handbook demonstrates a proven approach to implement and sustain inclusive, goal-linked programs of partnership. It shows how a good partnership program is an essential component of good school organization and school improvement for student success. This book will help every district and all schools strengthen and continually improve their programs of family and community engagement.

Six by Seuss Dr. Seuss, 1991 An anthology of six stories by Dr. Seuss, including *And To Think That I Saw It On Mulberry Street*, *The 500 Hats of Bartholomew Cubbins*, *Horton Hatches the Egg*, *How the Grinch Stole Christmas*, *The Lorax*, and *Yertle the Turtle*.

The Raven (Illustrated) Edgar Allan Poe, 2013-09-13 This Top Five Classics illustrated edition of Edgar Allan Poe's *The Raven* includes: • All 25 illustrations by Gustave Doré for Harper & Brothers' 1884 edition • An informative Introduction • A detailed Biography of Edgar Allan Poe • The illustrated version and text-only version of the full poem No poem has ever received the kind of immediate and overwhelming response that Poe's "The Raven" did when it first appeared in the *New York Evening Mirror* on January 29, 1845. It made Poe an overnight sensation (though his great fame never brought him much wealth) and the poem, a powerfully haunting elegy to lost love, remains one of the most beloved and recognizable verses in the English language. The illustrations that accompany this Top Five Classics edition are reproductions of the renowned French artist Gustave Doré's steel-plate engravings created for Harper & Brothers' 1884 release of *The Raven*. It would be Doré's last commission as he died shortly after completing the 25 illustrations in January 1883. His illustrations would become famous in their own right, evoking as they do the lyrical and mystical air of Poe's masterpiece.

Crucial Conversations: Tools for Talking When Stakes are High, Third Edition Joseph Grenny, Kerry Patterson, Ron McMillan, Al Switzler, Emily Gregory, 2021-10-26 Keep your cool and get the results you want when faced with crucial conversations. This New York Times bestseller and business classic has been fully updated for a world where skilled communication is more important than ever. The book that revolutionized business communications has been updated for today's workplace. Crucial Conversations provides powerful skills to ensure every conversation—especially difficult ones—leads to the results you want. Written in an engaging and witty style, the book teaches readers how to be persuasive rather than abrasive, how to get back to productive dialogue when others blow up or clam up, and it offers powerful skills for mastering high-stakes conversations, regardless of the topic or person. This new edition addresses issues that have arisen in recent years. You'll learn how to: Respond when someone initiates a crucial conversation with you Identify and address the lag time between identifying a problem and discussing it Communicate more effectively across digital mediums When stakes are high, opinions vary, and emotions run strong, you have three choices: Avoid a crucial conversation and suffer the consequences; handle the conversation poorly and suffer the consequences; or apply the lessons and strategies of Crucial Conversations and improve relationships and results. Whether they take place at work or at home, with your coworkers or your spouse, crucial conversations have a profound impact on your career, your happiness, and your future. With the skills you learn in this book, you'll never have to worry about the outcome of a crucial conversation again.

Refugee Alan Gratz, 2017-07-25 The award-winning, #1 New York Times bestselling novel from Alan Gratz tells the timely--and timeless--story of three different kids seeking refuge. A New York Times bestseller! JOSEF is a Jewish boy living in 1930s Nazi Germany. With the threat of concentration camps looming, he and his family board a ship bound for the other side of the world... ISABEL is a Cuban girl in 1994. With riots and unrest plaguing her country, she and her family set out on a raft, hoping to find safety in America... MAHMOUD is a Syrian boy in 2015. With his homeland torn apart by violence and destruction, he and his family begin a long trek toward Europe... All three kids go on harrowing journeys in search of refuge. All will face unimaginable dangers -- from drownings to bombings to betrayals. But there is always the hope of tomorrow. And although Josef, Isabel, and Mahmoud are separated by continents and decades, shocking connections will tie their stories together in the end. As powerful and poignant as it is action-packed and page-turning, this highly acclaimed novel has been on the New York Times bestseller list for more than four years and continues to change readers' lives with its

meaningful takes on survival, courage, and the quest for home.
