Building a StoryBrand 2.0 Donald Miller, 2025-01-07 When you apply the StoryBrand framework your brand will stand

out. Developing that framework to clarify your message and grow your business is about to get a whole lot simpler. . . Since the original publication of *Building a StoryBrand*, over one million business leaders have discovered Donald Miller's powerful StoryBrand framework, and their businesses are growing. Now, the classic resource for connecting with customers has been fully revised and updated, making it an even more powerful tool to prepare you to engage customers. In a world filled with constant, on-demand distractions, it has become very hard for business owners to effectively cut through the noise to reach their customers. Without a clear, distinct message, customers will not understand what you can do for them and won't engage. In *Building a StoryBrand 2.0*, Donald Miller not only deepens his teaching on how to use his seven universal story elements—he'll provide you with one of the most powerful and cutting-edge tools to help with your brand messaging efficacy and output. The StoryBrand framework is a proven process that has helped thousands of companies engage with their existing customers, giving them the ultimate competitive advantage. Now you can have access to the perfected version, making it more essential. Whether you are the marketing director of a multibillion-dollar company, the owner of a small business, a politician running for office, or the lead singer of a rock band, *Building a StoryBrand 2.0* will forever transform the way you talk about who you are, what you do, and the unique value you bring to your customers.

Adrenaline Junkies and Template Zombies Tom DeMarco,Peter Hruschka,Tim Lister,Steve McMenamin,James Robertson,Suzanne Robertson,2013-07-15 This is the digital version of the printed book (Copyright © 2008). Adrenaline junkies, dead fish, project sluts, true believers, Lewis and Clark, template zombies . . . Most developers, testers, and managers on IT projects are pretty good at recognizing patterns of behavior and gut-level hunches, as in, "I sense that this project is headed for disaster." But it has always been more difficult to transform these patterns and hunches into a usable form, something a team can debate, refine, and use. Until now. In *Adrenaline Junkies and Template Zombies*, the six principal consultants of The Atlantic Systems Guild present the patterns of behavior they most often observe at the dozens of IT firms they transform each year, around the world. The result is a quick-read guide to identifying nearly ninety typical scenarios, drawing on a combined one-hundred-and-fifty years of project management experience. Project by project, you'll improve the accuracy of your hunches and your ability to act on them. The patterns are presented in an easy-reference format, with names designed to ease communication with your teammates. In just a few words, you can describe what's happening on your project. Citing the patterns of behavior can help you quickly move those above and below you to the next step on your project. You'll find classic patterns such as these: News Improvement Management by Mood Ring Piling On Rattle Yer Dags Natural Authority Food++ Fridge Door and more than eighty more! Not every pattern will be evident in your organization, and not every pattern is necessarily good or bad. However, you'll find many patterns that will apply to your current and future assignments, even in the most ambiguous circumstances. When you assess your situation and follow your next hunch, you'll have the collective wisdom of six world-class consultants at your side.

Atomic Habits James Clear, 2018-10-16 The #1 New York Times bestseller. Over 20 million copies sold! Translated into 60+ languages! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.
