The Travels of a T-Shirt in the Global Economy Pietra Rivoli,2005-04-01 Praise for THE TRAVELS OF A T-SHIRT IN THE GLOBAL ECONOMY Engrossing . . . (Rivoli) goes wherever the T-shirt goes, and there are surprises around every corner . . . full of memorable characters and vivid scenes. —Time An engaging and illuminating saga. . . . Rivoli follows her T-shirt along its route, but that is like saying that Melville follows his whale. . . . Her nuanced and fair-minded approach is all the more powerful for eschewing the pretense of ideological absolutism, and her telescopic look through a single industry has

all the makings of an economics classic. —The New York Times Rarely is a business book so well written that one would gladly stay up all night to finish it. Pietra Rivoli's The Travels of a T-Shirt in the Global Economy is just such a page-turner. —CIO magazine Succeeds admirably . . . T-shirts may not have changed the world, but their story is a useful account of how free trade and protectionism certainly have. —Financial Times [A] fascinating exploration of the history, economics, and politics of world trade . . . The Travels of a T-Shirt in the Global Economy is a thought-provoking yarn that exhibits the ugly, the bad, and the good of globalization, and points to the unintended positive consequences of the clash between proponents and opponents of free trade. —Star-Telegram (Fort Worth) Part travelogue, part history, and part economics, The Travels of a T-Shirt in the Global Economy is ALL storytelling, and in the grand style. A must-read. —Peter J. Dougherty, Senior Economics Editor, Princeton University Press author of Who's Afraid of Adam Smith? A readable and evenhanded treatment of the complexities of free trade . . . As Rivoli repeatedly makes clear, there is absolutely nothing free about free trade except the slogan. —San Francisco Chronicle

The Art of Gathering Priya Parker,2020-04-14 Hosts of all kinds, this is a must-read! --Chris Anderson, owner and curator of TED From the host of the New York Times podcast Together Apart, an exciting new approach to how we gather that will transform the ways we spend our time together—at home, at work, in our communities, and beyond. In The Art of Gathering, Priya Parker argues that the gatherings in our lives are lackluster and unproductive--which they don't have to be. We rely too much on routine and the conventions of gatherings when we should focus on distinctiveness and the people involved. At a time when coming together is more important than ever, Parker sets forth a human-centered approach to gathering that will help everyone create meaningful, memorable experiences, large and small, for work and for play. Drawing on her expertise as a facilitator of high-powered gatherings around the world, Parker takes us inside events of all kinds to show what works, what doesn't, and why. She investigates a wide array of gatherings--conferences, meetings, a courtroom, a flash-mob party, an Arab-Israeli summer camp--and explains how simple, specific changes can invigorate any group experience. The result is a book that's both journey and guide, full of exciting ideas with real-world applications. The Art of Gathering will forever alter the way you look at your next meeting, industry conference, dinner party, and backyard barbecue--and how you host and attend them.
