All of This Is for You Ruby Jones,2021-03-16 A beautiful and uplifting collection of heartfelt, hand-lettered full-color artwork and soothing messages that provide compassion and connection for everyone feeling overwhelmed in their lives. All of This is for You is balm for anyone feeling lost and detached from today's confusing, hectic world. In her luminous four-color hand-lettered artwork and accompanying heartfelt notes, acclaimed illustrator Ruby Jones reminds us that even when times are tough, it remains important to be kind and gentle with ourselves and those around us. Jones received worldwide recognition after she posted an illustration of two women—one of them a Muslim wearing a hijab—embracing after the 2019 Christchurch terrorist attacks. The image was accompanied by an extraordinary message of empathy and understanding: This is your home and you should have been safe here. A beacon of hope and kindness, All of This is for You is for every one of us, because no matter the individual issue—whether it's self-image, identity, depression, grief, or anxiety—we all struggle with challenges. Jones's gentle illustrations and soothing insights are a breath of fresh air during tough times, and a reminder of humanity's inherent and enduring goodness.

Please Say Please! Kyle T. Webster, 2016-07-26 Celebrate the power of please! How do you ask for what you'd like? Do you shout I want! to get your way? Or do you say please each and every day? With energetic rhyming text, dazzling art, and loads of fun, a little girl learns that good things come to those who say please! But be careful what you wish for!

Graphic Design Portfolio-builder, 2006 Self-paced, self-guided instruction is all well and good, but at the end of the day, most people could use a little feedback--especially when they're ready to build a design portfolio and hit the job market. Not to worry, this book provides actual instructor feedback along with the self-paced, individualized instruction in Photoshop and Illustrator that designers need. Written by the faculty of New York-based, accredited online design school Sessions.edu, the book uses the school's trademark project-based curriculum to teach essential design concepts with Photoshop and Illustrator. After a brief intro to the world of graphic design, Sessions instructors provide quick refresher course chapters on the two programs. Then, armed with Photoshop and Illustrator basics, readers tackle a series of projects that stretch their imagination and creative muscles involving logo design, magazine layouts, illustrations, poster design, digital imaging, book cover design, packaging design, and more. Best of all, readers are encouraged to post their work for expert feedback from Session.edu faculty on Studio Sessions, the custom Web site created for this book.

Vector Basic Training Von Glitschka, 2015-09-21 Attention, designers, it's time to get serious about your creative process. For too long you've allowed yourself to go soft, relying on your software to do all of your creative work at the expense of your craftsmanship. This book will NOT show you how to use every tool and feature in Adobe Illustrator. This book WILL, however, teach you the importance of drawing out your ideas, analyzing the shapes, and then methodically building them precisely in vector form using the techniques explained in this book. In *Vector Basic Training*, Second Edition acclaimed illustrative designer Von Glitschka takes you through his systematic process for creating the kind of precise vector graphics that separate the pros from the mere toolers. Along the way, he'll whip your drawing skills into shape and show you how to create elegant curves and precise anchor points for your designs. In addition to new illustrative examples throughout the book, this edition includes an all-new chapter on how to apply color and detail to your illustrations using tried-and-true methods that you'll use over and over again. You'll also get access to over seven hours of all-new HD video tutorials and source files so you can follow along with Von as he walks you through his entire process. Whether you're creating

illustrations in Adobe Illustrator, Affinity Designer, CorelDRAW, or even Inkscape, you'll be able to use Von's techniques to establish a successful creative process for crafting consistently precise illustrations every single time you pick up your pen, stylus, or mouse. In Vector Basic Training, Second Edition, you'll learn: The tools and shortcuts that make up a design pro's creative arsenal How to use "The Clockwork Method" to create accurate curves every time When and where to set just the right number of anchor points for any design How to build shapes quickly using basic Illustrator tools and plug-ins Techniques for art directing yourself to get the results you desire Fundamental methods for applying color and detail to your illustrations

Mastering the Lightning Network Andreas M. Antonopoulos, Olaoluwa Osuntokun, René Pickhardt, 2021-11-22 The Lightning Network (LN) is a rapidly growing second-layer payment protocol that works on top of Bitcoin to provide near-instantaneous transactions between two parties. With this practical guide, authors Andreas M. Antonopoulos, Olaoluwa Osuntokun, and Rene Pickhardt explain how this advancement will enable the next level of scale for Bitcoin, increasing speed and privacy while reducing fees. Ideal for developers, systems architects, investors, and entrepreneurs looking to gain a better understanding of LN, this book demonstrates why experts consider LN a critical solution to Bitcoin's scalability problem. You'll learn how LN has the potential to support far more transactions than today's financial networks. This book examines: How the Lightning Network addresses the challenge of blockchain scaling The Basis of Lightning Technology (BOLT) standards documents The five layers of the Lightning Network Protocol Suite LN basics, including wallets, nodes, and how to operate one Lightning payment channels, onion routing, and gossip protocol Finding paths across payment channels to transport Bitcoin off-chain from sender to recipient

Business Model Generation Alexander Osterwalder, Yves Pigneur, 2013-02-01 Business Model Generation is a handbook for visionaries, game changers, and challengers striving to defy outmoded business models and design tomorrow's enterprises. If your organization needs to adapt to harsh new realities, but you don't yet have a strategy that will get you out in front of your competitors, you need Business Model Generation. Co-created by 470 Business Model Canvas practitioners from 45 countries, the book features a beautiful, highly visual, 4-color design that takes powerful strategic ideas and tools, and makes them easy to implement in your organization. It explains the most common Business Model patterns, based on concepts from leading business thinkers, and helps you reinterpret them for your own context. You will learn how to systematically understand, design, and implement a game-changing business model--or analyze and renovate an old one. Along the way, you'll understand at a much deeper level your customers, distribution channels, partners, revenue streams, costs, and your core value proposition. Business Model Generation features practical innovation techniques used today by leading consultants and companies worldwide, including 3M, Ericsson, Capgemini, Deloitte, and others. Designed for doers, it is for those ready to abandon outmoded thinking and embrace new models of value creation: for executives, consultants, entrepreneurs, and leaders of all organizations. If you're ready to change the rules, you belong to the business model generation!

Atomic Habits James Clear, 2018-10-16 The #1 New York Times bestseller. Over 20 million copies sold! Translated into 60+ languages! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained

with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Value Proposition Design Alexander Osterwalder, Yves Pigneur, Gregory Bernarda, Alan Smith, 2015-01-28 The authors of the international bestseller Business Model Generation explain how to create value propositions customers can't resist Value Proposition Design helps you tackle the core challenge of every business — creating compelling products and services customers want to buy. This highly practical book, paired with its online companion, will teach you the processes and tools you need to create products that sell. Using the same stunning visual format as the authors' global bestseller, Business Model Generation, this sequel explains how to use the "Value Proposition Canvas" to design, test, create, and manage products and services customers actually want. Value Proposition Design is for anyone who has been frustrated by new product meetings based on hunches and intuitions; it's for anyone who has watched an expensive new product launch fail in the market. The book will help you understand the patterns of great value propositions, get closer to customers, and avoid wasting time with ideas that won't work. You'll learn the simple process of designing and testing value propositions, that perfectly match customers' needs and desires. In addition the book gives you exclusive access to an online companion on Strategyzer.com. You will be able to assess your work, learn from peers, and download pdfs, checklists, and more. Value Proposition Design is an essential companion to the "Business Model Canvas" from Business Model Generation, a tool embraced globally by startups and large corporations such as MasterCard, 3M, Coca Cola, GE, Fujitsu, LEGO, Colgate-Palmolive, and many more. Value Proposition Design gives you a proven methodology for success, with value propositions that sell, embedded in profitable business models.
