Ditch That Textbook Matt Miller, 2015-04-13 Textbooks are symbols of centuries-old education. They're often outdated as soon as they hit students' desks. Acting by the textbook implies compliance and a lack of creativity. It's time to ditch those textbooks--and those textbook assumptions about learning. In *Ditch That Textbook*, teacher and blogger Matt Miller encourages educators to throw out meaningless, pedestrian teaching and learning practices. He empowers them to evolve and improve on old, standard, teaching methods. *Ditch That Textbook* is a support system, toolbox, and manifesto to help educators free their teaching and revolutionize their classrooms.

Platform Michael Hyatt, 2012 As the former chairman and CEO of Thomas Nelson Publishers, author Michael Hyatt gained insight on the importance of combining compelling products with a meaningful platform. Now, with nearly three hundred thousand followers on Twitter, his large and growing platform serves as the foundation for his own successful writing, speaking, and business coaching practice. In this straightforward how-to, he offers down-to-earth guidance on crafting an effective and meaningful online platform to help readers extend their influence, monetize it, and build a sustainable career. Social media technologies have provided unprecedented opportunities for getting noticed and earning money in an increasingly noisy world. *Platform* goes behind the scenes into the world of social media success. You'll discover what bestselling authors, public speakers, entrepreneurs, musicians, and other creatives are doing differently to gain contacts, connections, and followers and win customers in today's crowded marketplace. With proven strategies, easy-to-replicate formulas, and practical tips, this book makes it easier, less expensive, and more possible than ever to stand out from the crowd and launch a business.

Creativity in Product Innovation Jacob Goldenberg, David Mazursky, 2002-01-03 Creativity in Product Innovation describes a remarkable new technique for improving the creativity process in product design. Certain regularities in product development are identifiable, objectively verifiable and consistent for almost any kind of product. These regularities are described by the authors as Creativity Templates. This book describes the theory and implementation of these templates, showing how they can be used to enhance the creative process and thus enable people to be more productive and focused. Representing the culmination of years of research on the topic of creativity in marketing, the Creativity Templates approach has been recognized as a breakthrough in such journals as Science, Journal of Marketing Research, Management Science, and Technological Forecasting and Social Change.
