UF1089 - Gestión del proyecto de restauración Paula Rodríguez Méndez,2015-04-08 La finalidad de esta Unidad

Formativa es enseñar a establecer las líneas básicas de un negocio de producción y servicio de alimentos y bebidas para definir proyectos viables en su entorno y proponer objetivos y planes viables para el establecimiento, área o departamento de restauración de su responsabilidad, de forma que se integren en la planificación general de la empresa. Para ello, se estudiará la viabilidad del proyecto de apertura, las instalaciones y equipamientos y el análisis económico - financiero del proyecto de apertura de negocio de restauración. Por último, también se analizará la planificación empresarial.

*Operaciones administrativas de recursos humanos (GRADO MEDIO)* José Miguel Albarrán Francisco,2012-05-30 La presente obra está dirigida a los estudiantes del Ciclo Formativo Gestión Administrativa de Grado Medio, en concreto al módulo profesional Operaciones Administrativas de Recursos Humanos. Ha sido desarrollada atendiendo al currículo profesional, correspondiente al citado módulo formativo, establecido en el Real Decreto 1631/2009, recogiendo todos los cambios debidos a las últimas reformas laborales, sociales y fiscales y su finalidad es la de capacitar para la función administrativa de la gestión laboral de la empresa. El propósito que ha guiado su elaboración es el de transmitir al alumno

una visión práctica y real de la actividad, bajo una perspectiva rigurosa pero simple; con un lenguaje comprensible, con un escrupuloso tratamiento de las leyes, pero también de los usos y procedimientos que se realizan habitualmente en asesorías laborales y en empresas. Estamos convencidos de que el alumno no tendrá problemas para seguir las enseñanzas contenidas en esta obra por su carácter eminentemente práctico y por su naturaleza didáctica, en la que los conocimientos se van tratando de forma progresiva y no se producen saltos, sino un tránsito continuo y práctico, que finalizará con la total preparación del alumno para el desarrollo de la profesión. Los capítulos incluyen prácticas, actividades y ejemplos con el propósito de facilitar la asimilación de los conocimientos tratados. Así mismo, se incorporan test de conocimientos y ejercicios propuestos con la finalidad de comprobar que los objetivos de cada capítulo se han asimilado correctamente. Además, reúne los recursos necesarios para incrementar la didáctica del libro, tales como un glosario con los términos informáticos necesarios, bibliografía y documentos para ampliación de los conocimientos.

CURSO PRÁCTICO DE ESPAÑOL , Manualul Curso práctico de español. Comunicaci3n II.1 reprezintă o contribuție valoroasă la didactica limbii spaniole ca limbă străină. Combină cele mai interesante aspecte ale învățării limbii spaniole, un lucru destul de greu de realizat în contextul existenței unui număr considerabil de publicații în acest domeniu. Cartea este împărțită în șase unități, fiecare cuprinzând zece capitole, care dezvoltă principalele abilități lingvistice. În același timp, oferă o varietate de activități, atât din punct de vedere cantitativ, cât și, mai ales, calitativ. Merită subliniat faptul că referințele din textele și materialele audiovizuale folosite sunt foarte variate și abordează teme dintre cele mai diverse, atât tradiționale cât și moderne. De asemenea, manualul combină în mod fericit informații despre spațiul iberic și spațiul hispano-american. Cartea tratează sistematic chestiuni de Gramatică, Lexicologie și Semantică, armonizându-le cu teme de cultură, societate și civilizație esențiale pentru comunicarea interculturală eficientă. Structura și planificarea activităților, atent gândite, abordează toate competențele comunicative (lingvistice, sociolingvistice și pragmatice) și creează pentru cel interesat de învățarea limbii spaniole posibilitatea de a-și actualiza eficient strategiile comunicative necesare. Nu în cele din urmă, manualul are un potențial didactic important și sunt convinsă că va avea mulți cititori atât în România cât și în afara ei.

The Business of Design Keith Granet,2021-06-15 The Business of Design debunks the myth that business sense and creative talent are mutually exclusive, showing design professionals that they can pursue their passion and turn a profit. For nearly thirty years, consultant Keith Granet has helped designers create successful businesses, from branding to billing and

everything in between. Unlike other business books, *The Business of Design* is written and illustrated to speak to a visually thinking audience. The book covers all aspects of running a successful design business, including human resources, client management, product development, marketing, and licensing. This timely update on the tenth anniversary of the first edition includes new content on social media, working from home, and understanding and working with different generations, essential tools in today's ultracompetitive marketplace.

**Empresa en el aula** RODÉS BACH, ADOLF, 2012-07-01 La Orden EDU/1999/2010, de 13 de julio, establece el currículo del ciclo formativo de Grado Medio correspondiente al título de Técnico en Gestión Administrativa.;Este manual desarrolla los contenidos del módulo profesional de Empresa en el Aula, claramente orientados a la aplicación práctica, en el entorno docente, de los supuestos teóricos de mayor relevancia en el mundo laboral real.;La obra se estructura mediante el análisis de las actividades administrativas que, a través de cada uno de sus departamentos, se realizan en una empresa, ofreciendo una visión detallada de las funciones que se ejercen habitualmente en cada uno de ellos y, a la su vez, se presenta una perspectiva global, de conjunto, para favorecer la comprensión de las relaciones entre departamentos y su interacción.;Se ha prestado especial atención, a la introducción del alumnado al mundo del emprendedor y a las fases previas a la puesta en marcha de la nueva actividad, con el objetivo de experimentar, mediante actividades prácticas, dinámicas e incluso lúdicas, las bases de un proyecto de pequeña empresa.;Asimismo, además de la gestión documental, la obra trata en detalle los contenidos exigidos por el currículo en relación a las actividades de política comercial, la atención de incidencias, la resolución de problemas y el trabajo en equipo, con una visión muy actual de las características del mercado, así como de las relaciones humanas dentro de las organizaciones.;Finalmente, cabe destacar el carácter abierto de las propuestas de trabajo.;El objetivo de la obra, por tanto, es trasladar, a las prácticas y actividades en el aula, la problemática propia del mundo de la empresa, en el que prevalece, por encima de unos conocimientos concretos, tener una actitud proactiva, creatividad, dinamismo e implicarse en la obtención de unos buenos resultados.

**Instructional Story Design** Rance Greene, 2020-04-07 *Once Upon a Time, Storytelling Met Instructional Design* From children to adults, everybody likes a good story. Stories are memorable, actionable, and emotional. We are constantly making sense of the world by forming stories, and that makes them perfect for instructional design. *Instructional Story Design* is a practical guide to writing and developing stories for training. It takes what you already know about a story's power to connect with people and offers a clear methodology for the otherwise daunting process of creating a compelling story. Master story designer Rance Greene shares his powerful yet familiar process to discover, design, and deliver instructional stories. He presents the two essential elements that must be present to tell a story for training: relatable characters and strong conflict. These elements create a desire for resolution and grab learners' attention. This book offers advice for unearthing the root of the performance problem, creating action lists for learners, and convincing stakeholders about the

effectiveness of stories. Case studies from household companies such as Pizza Hut, Southwest Airlines, and PepsiCo show story design in action. Job aids and resources include an audience profile questionnaire, character description worksheet, storyboard template, and tips for developing stories using graphics, audio, and video. With this book, you'll: Sharpen your analysis skills to discover potential training stories. Design relatable stories that concretely connect with learning objectives. Easily develop captivating stories with tools you already own. Plan your next steps to implement your instructional story.

Book of Branding Radim Malinic, 2019-11-11 Book of Branding is an essential addition to the start-up toolkit, designed for entrepreneurs, founders, visual designers, brand creators and anyone seeking to decode the complicated world of brand identity. The conversational, jargon free, tone of the book helps the reader to understand essential elements of the brand identity process. Offering first hand experience, insights and tips throughout, the book uses real life case studies to show how great collaborative work can be achieved. Book of Branding is a creative guide for new businesses, start-ups and individuals, which puts visual identity at the heart of brand strategy.
