Veg in One Bed Huw Richards,2019-10-29 Gardening YouTube sensation Huw Richards shows how to inexpensively grow year-round vegetables from just one raised bed. Keyed to a temperate coastal climate but adaptable to variations in temperature and rainfall, Huw's clear, practical advice will help you produce a bountiful harvest with minimal space and effort. In just one raised bed, green thumb wunderkind Huw Richards shows you how to grow vegetables easily, organically, abundantly, and inexpensively so you have something to harvest every month of the year. Month by month, discover what you need to do and how to do it. Try it in your yard, a small garden, or even on a roof terrace. Everything is explained in clear, photographed steps: building your bed, growing from seed, planting, feeding, and harvesting. Huw shows how to guarantee

early success by starting off young plants on a windowsill. He suggests what to grow in each part of the bed and provides alternative vegetables to swap in or out depending on what you like eating. No-dig gardening methods remove most of the back-breaking work, too. Veg in One Bed goes beyond the inspiring demonstrations on his YouTube channel Huw's Nursery. In this book, he organizes all of his ideas and suggestions into a blueprint for growing your own vegetables month by month. Very little growing experience? Only a small space? No matter—with Veg in One Bed, you can still eat food you have grown throughout the year.

We Are Here to Stay: Voices of Undocumented Young Adults Susan Kuklin, 2019-01-08 With refreshing candor, photos and interviews usher us into the lives of eleven undocumented young people bravely speaking out. "Maybe next time they hear someone railing about how terrible immigrants are, they'll think about me. I'm a real person." Meet nine courageous young adults who have lived in the United States with a secret for much of their lives: they are not U.S. citizens. They came from Colombia, Mexico, Ghana, Independent Samoa, and Korea. They came seeking education, fleeing violence, and escaping

poverty. All have heartbreaking and hopeful stories about leaving their homelands and starting a new life in America. And all are weary of living in the shadows. *We Are Here to Stay* is a very different book than it was intended to be when originally slated for a 2017 release, illustrated with Susan Kuklin's gorgeous full-color portraits. Since the last presidential election and the repeal of DACA, it is no longer safe for these young adults to be identified in photographs or by name. Their photographs have been replaced with empty frames, and their names are represented by first initials. We are honored to publish these enlightening, honest, and brave accounts that encourage open, thoughtful conversation about the complexities of immigration — and the uncertain future of immigrants in America.
