Ditch That Textbook Matt Miller, 2015-04-13 Textbooks are symbols of centuries-old education. They're often outdated as soon as they hit students' desks. Acting by the textbook implies compliance and a lack of creativity. It's time to ditch those textbooks--and those textbook assumptions about learning In *Ditch That Textbook*, teacher and blogger Matt Miller encourages educators to throw out meaningless, pedestrian teaching and learning practices. He empowers them to evolve and improve on old, standard, teaching methods. *Ditch That Textbook* is a support system, toolbox, and manifesto to help educators free their teaching and revolutionize their classrooms.

Mr. Blue Jeans Maryann N. Weidt,2011-01-01 In 1847 an eighteen-year-old immigrant arrived in New York. He had little in his pockets and no knowledge of English. However, by 1874, people throughout the United States knew him as the man who made blue jeans with copper rivets. Even now Levi Strauss's name lives on as a mark of quality and style. In *Mr. Blue Jeans*, Maryann N. Weidt presents the history of this hardworking man, as he struggles through long, grueling days as a peddler and challenging times as a young businessman. His honesty, integrity, and generosity stand out as clearly as his name, making this rags-to-riches story well worth reading. The accurate and highly readable text is enriched by Lydia M. Anderson's dramatic black-and-white illustrations.

The Tiger Rising Kate DiCamillo,2009-09-08 A National Book Award finalist by Newbery Medalist Kate DiCamillo. Walking through the misty Florida woods one morning, twelve-year-old Rob Horton is stunned to encounter a tiger—a real-life, very large tiger—pacing back and forth in a cage. What's more, on the same extraordinary day, he meets Sistine Bailey, a girl who shows her feelings as readily as Rob hides his. As they learn to trust each other, and ultimately, to be friends, Rob and Sistine prove that some things—like memories, and heartache, and tigers—can't be locked up forever. Featuring a new cover illustration by Stephen Walton.

In Search of a Prince Toni Shiloh,2022-02-01 Named a Best Romance Novel of 2022 by Oprah Daily, a Best Novel to Read for a Romantic Getaway by POPSUGAR, and a 2022 Christy Amplify Award Winner It seems like a dream come true . . . until it forces her to question everything. Brielle Adebayo is fully content teaching at a New York City public school and taking annual summer vacations with her mother to Martha's Vineyard. But everything changes when her mom drops a bombshell--Brielle is really a princess in the island kingdom of Oloro Ilé, off the coast of Africa, and she must immediately assume her royal position, since the health of her grandfather, the king, is failing. Distraught by all the secrets her mother kept, Brielle is further left spinning when the Oloro Ilé Royal Council brings up an old edict that states she must marry before her coronation, or the crown will pass to another. Brielle is uncertain if she even wants the throne, and with her world totally shaken, where will she find the courage to take a chance on love and brave the perils a wrong decision may bring? Love from Mecca to Medina S. K. Ali, 2022-10-18 On the trip of a lifetime, Adam and Zayneb must find their way back to each other in this surprising and romantic sequel to the “bighearted, wildly charming” (Becky Albertalli, New York Times bestselling author) *Love from A to Z*. Adam and Zayneb. Perfectly matched. Painfully apart. Adam is in Doha, Qatar, making a map of the Hijra, a historic migration from Mecca to Medina, and worried about where his next paycheck will come from. Zayneb is in Chicago, where school and extracurricular stresses are piling on top of a terrible frenemy situation, making her miserable. Then a marvel occurs: Adam and Zayneb get the chance to spend Thanksgiving week on the Umrah, a pilgrimage to Mecca and Medina, in Saudi Arabia. Adam is thrilled; it’s the reboot he needs and an opportunity to pray for a hijra in real life: to migrate to Zayneb in Chicago. Zayneb balks at the trip at first, having envisioned another kind of vacation, but then decides a spiritual reset is calling her name too. And they can’t wait to see each other—surely, this is just what they both need. But the trip is nothing like what they expect, from the appearance of Adam’s former love interest in their traveling group to the anxiety gripping Zayneb when she’s supposed to be “spiritual.” As one wedge after another drives them apart while they make their way through rites in the holy city, Adam and Zayneb start to wonder: was their meeting just an oddity after all? Or can their love transcend everything else like the greatest marvels of the world?

The art of Self Publishing and Website creation Premyogi vajra, 2021-01-02 This book is a compilation of Premyogi vajra's blog posts that he has created for demystifyingkundalini.com. Premyogi vajra is a self-aware and mysterious person. With his Kundalini awakening, there was a flood of high mentality in his brain. Impressed by that, he created many books and the above website. Regarding his experiences related to book-publishing and website-making, he made them known as his blog posts. A separate chapter has been created for each article. Readers will surely find this e-book interesting, informative and comfortable to read. Knowledge sharing is a fundamental tool to grow a society. Experience gained without subsequent sharing is of little value. It remains confined to a single man and gets perished with him. Therefore, to be able to properly and easily share one’s experiences, one must know at least basics of self publishing and website creation for these are basic modern tools of sharing knowledge. Writer had to deal with great deal of hassel while learning self publishing and website creation. He took many years to learn their basic tips. So that people do not get suffered like himself, he compiled all tips he got while learning these in form of this book. Hope that people will find this book brief, practical and easy. Friends, if the art of sharing experiences with everyone is not learned, then those experiences would not have special significance. Those experiences remain confined to that single man, and perish with him. In today’s times, websites and e-books are the most important means of sharing experiences. Therefore, it is important for everyone to have basic knowledge of website creation and self-publication. This book serves very well the same purpose of achieving this goal.

Digital Performance in Everyday Life Lyndsay Michalik Gratch, Ariel Gratch, 2021-11-11 Digital Performance in Everyday

Life combines theories of performance, communication, and media to explore the many ways we perform in our everyday lives through digital media and in virtual spaces. Digital communication technologies and the social norms and discourses that developed alongside these technologies have altered the ways we perform as and for ourselves and each other in virtual spaces. Through a diverse range of topics and examples—including discussions of self-identity, surveillance, mourning, internet memes, storytelling, ritual, political action, and activism—this book addresses how the physical and virtual have become inseparable in everyday life, and how the digital is always rooted in embodied action. Focusing on performance and human agency, the authors offer fresh perspectives on communication and digital culture. The unique, interdisciplinary approach of this book will be useful to scholars, artists, and activists in communication, digital media, performance studies, theatre, sociology, political science, information technology, and cybersecurity—along with anyone interested in how communication shapes and is shaped by digital technologies.

Influencer Marketing Sevil Yesiloglu, Joyce Costello, 2020-11-29 This is one of the first textbooks to explore the phenomenon of Influencer Marketing and how it fits within marketing communications to build brands and their communities. Influencers – those who can impact a brand’s marketing and advertising strategies as well as build brand communities – are making extensive use of the new digital and traditional communications platforms. Influencers offer brands the ability to deliver the “right” communication and marketing messages to a specific target audience. Across four core sections, this book brings together the key theory and practical implications of this new marketing tool: how it works as part of communications campaigns, including how to select the right influencers and measure their success, the dark side of influencer marketing, and the legal and ethical framework. With contributions from authors across the globe, each chapter is also accompanied by an in- depth case study – from the Kardashians to Joe Wicks – that demonstrates how the theory translates to practice. Influencer Marketing is important reading for advanced, postgraduate and executive education students of Marketing, Digital Marketing, Marketing Communications, Brand Management and Public Relations. With its accessible style and practical content, it is also highly valuable for Marketing Communications, Branding and PR specialists.
