Library Licensing Corey Halaychik,Blake Reagan,2019-11-01 This clear and concise manual will help librarians understand licenses so that they can become better reviewers, drafters, and negotiators. Libraries purchase or subscribe to countless resources that are governed by licenses—both digital products and physical objects like rare books or equipment. Many librarians, however, lack the legal expertise to comprehend and assess the clauses found in licenses. Authors Corey Halaychik and Blake Reagan have reviewed and edited thousands of contracts and use the lessons they've learned to help librarians sort through the often archaic and confusing language found in licenses. *Library Licensing* is a key reference for anyone responsible for reviewing, editing, negotiating, and agreeing to licenses that govern library resources. It contains essential information that will allow the reader to not only understand the language used in contracts but also to replace confusing and redundant language with clear and concise alternatives. Organized with ease of use in mind, chapters are written for quick and easy consultation and application.

Solving the World's Problems Robert Lee Brewer,2013-09-01 *The World in Robert Lee Brewer's Solving the World's Problems* is a slippery world ... where chaos always hovers near, where we are (and should be) splashing around in dark puddles. And one feels a bit dizzy reading these poems because (while always clear, always full of meaning) they come at reality slantwise so that nothing is quite the same and the reader comes away with a new way of looking at the ordinary objects and events of life. The poems are brim-full of surprises and delights, twists in the language, double-meanings of words, leaps of thought and imagination, interesting line-breaks. There are love and relationship poems, dream poems, poems of life in the modern world. And always the sense (as he writes) of pulling the world closer to me/leaves falling to the ground/ birds flying south. I read these once, twice with great enjoyment. I will go back to them often. -Patricia Fargnoli, former Poet Laureate of New Hampshire and author of *Then, Something*
