*The Plot Dot* Derek Murphy, 2016-04-13 An Adult Coloring Book for Authors! This book will help you paint powerful visual scenes that stick with readers long after they're finished your book. The techniques described within are simple and easy to use. Think of this as a guided coloring book adventure. YOUR adventure. There are lots of systems and guides to plotting, but if you're like me you have journals filled with notes, scenes and description... it can get overwhelming. I've based this book on traditional three-act story architecture, but it's greatly simplified. Plotters and pantsers can use the guided exercises to gain greater visual clarity and build more meaningful scenes with resonance. This book will help you get organized and unlock hidden potential in your scenes that you didn't know was there, by going beyond words and focusing on drawing and coloring your scenes until you have a full outline. This book makes an excellent workbook for writing retreats, is simple enough for children to use (it's never too early to write your first novel), and introduces a new, and hopefully useful, way to organize your novel, improve your writing, and create unforgettable scenes that will make a deep and lasting impact.

**Before We Were Strangers** Renée Carlino, 2015-08-18 From the USA TODAY bestselling author of *Sweet Thing* and *Nowhere But Here* comes a love story about a Craigslist "missed connection" post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn't stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn't see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn't know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I've spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half?

Pen & Ink Isaac Fitzgerald, Wendy MacNaughton, 2014-10-07 Why did you get that tattoo? Every tattoo tells a story, whether the ink is meaningful or the result of a misguided decision made at the age of fourteen, representative of the wearer's true self or the accidental consequence of a bender. These most permanent of body adornments are hidden by pants legs and shirt tails, emblazoned on knuckles, or tucked inside mouths. They are battle scars and beauty marks, totems and mementos. Pen & Ink grants us access to the tattoos of writers Cheryl Strayed, Tao Lin, and Roxane Gay; rockers in the bands Korn, Otep, and Five Finger Death Punch; and even a porn star. But it also illuminates the tattoos of the ordinary people living in our midst--from professors to thrift store salespeople, cafe owners to librarians, union organizers to administrators--and their extraordinary lives. Curated and edited by Isaac Fitzgerald, who sports ten tattoos himself, each story features Wendy MacNaughton's stylish full color illustrations of the tattoos on black-and-white drawings of the bearer's body. At its heart, beneath its colorful skin, Pen & Ink is an exploration of the decision to scar one's self with a symbol and a story--

*Incredible Doom* Matthew Bogart, Jesse Holden, 2021-05-11 “Incredibly strong and not a little disturbing.” —Cory Doctorow, author of *In Real Life* Welcome to a new age...the age of the internet. Allison is drowning under the weight of her manipulative stage magician father. When he brings home the family’s first computer, she escapes into a thrilling new world where she meets Samir, a like-minded new online friend who has just agreed to run away from home with her. After moving to a new town and leaving all of his friends behind, Richard receives a mysterious note in his locker with instructions on how to connect to “Evol BBS,” a dial-in bulletin board system, and meets a fierce punk named Tina who comes into his life and shakes his entire worldview loose. Unlikely alliances, first love, and minor crime sprees abound in this teen graphic novel debut about making connections while your world is falling apart. “Perfectly captures the mystery and wonder of the early days of the internet.” —Andy Baio, author of *Waxy.org* and co-founder of *XOXO* A rush of love for brave beginnings—of both the early internet and the teens who used it to find themselves and each other. —Eleanor Davis, author of *The Hard Tomorrow* and *How to Be Happy* A compelling story complimented by pleasingly minimal art that skillfully evokes a sense of loneliness and isolation. —Savanna Ganucheau, co-creator of *Bloom* A sharp and authentic wild ride that brought me back to

my teenage years as a punk with a dial-up connection.” —Kevin Panetta, co-creator of Bloom “A poignant and often hilarious reminder that technology is at its best when it’s easing the ache of loneliness and bringing people together. —Jeff Zentner, Morris Award-winning author of *The Serpent King*

*In Other Lands* Sarah Rees Brennan, 2017-07-17 Georgia Peach Award Nominee • Florida Teens Read Award Nominee • ABC Best Books for Young Readers • Bank Street College Best Children’s Books of the Year • A Junior Library Guild Selection • Hugo & Locus award finalist *In Other Lands* is an exhilarating novel from bestselling author Sarah Rees Brennan about surviving four years in the most unusual of schools - friendship, falling in love, diplomacy, and finding your own place in the world — even if it means giving up your phone. Excerpt: The Borderlands aren’t like anywhere else. Don’t try to smuggle a phone or any other piece of technology over the wall that marks the Border — unless you enjoy a fireworks display in your backpack. (Ballpoint pens are okay.) There are elves, harpies, and — best of all as far as Elliot is concerned — mermaids. What’s your name? Serene. Serena? Elliot asked. Serene, said Serene. My full name is Serene-Heart-in-the-Chaos-of-Battle. Elliot’s mouth fell open. That is badass. Elliot? Who’s Elliot? Elliot is thirteen years old. He’s smart and just a tiny bit obnoxious. Sometimes more than a tiny bit. When his class goes on a field trip and he can see a wall that no one else can see, he is given the chance to go to school in the Borderlands. It turns out that on the other side of the wall, classes involve a lot more weaponry and fitness training and fewer mermaids than he expected. On the other hand, there’s Serene-Heart-in-the-Chaos-of-Battle, an elven warrior who is more beautiful than anyone Elliot has ever seen, and then there’s her human friend Luke: sunny, blond, and annoyingly likeable. There are lots of interesting books. There’s even the chance Elliot might be able to change the world. Chapter illustrations by Casey Nowak.
