**A Beginner's Guide to Upholstery** Alex Law, Posy Gentles, 2020-07-14 Rescue old and beautiful chairs, beds, and footstools with fabulous new fabrics and renovate treasured family heirlooms in perfect period style. With clear step-by-step instructions throughout, *A Beginner's Guide to Upholstery* shows you how to take your old or tattered furniture and fabrics and breathe new life into them with natural and sustainable materials. By saving the money you would have spent on someone else doing the work, you can afford to splash out on a really special length of cloth and create stunning pieces of furniture that reflect your own individual style.

**A Stranger in the House of God** John Koessler, 2009-08-30 Growing up the son of agnostics, John Koessler saw a Catholic church on one end of the street and a Baptist on the other. In the no-man's land between the two, this curious outside wondered about the God they worshipped—and began a lifelong search to comprehend the grace and mystery of God. *A Stranger in the House of God* addresses fundamental questions and struggles faced by spiritual seekers and mature believers. Like a contemporary *Pilgrim's Progress*, it traces the author's journey and explores his experiences with both charismatic and evangelical Christianity. It also describes his transformation from religious outsider to ordained pastor. John Koessler provides a poignant and often humorous window into the interior of the soul as he describes his journey from doubt and struggle with the church to personal faith.

**Hell Is Always Today** Jack Higgins, 2005-05-03 While a killer stalks the streets of London, Detective Sergeant Nick Miller is more concerned with a light-heavyweight boxer-turned-expert-cat-burglar who has busted out of prison. High above the streets, cop and convict will face down their most daunting challenges the only way they know how.

**The New Design Rules** Emily Henderson, Jessica Cumberbatch Anderson, 2022-05-10 From the author of the New York Times bestseller *Styled*, here is Emily Henderson's masterclass on interior design. "An approachable guide for anyone who is looking for tools and resources to create a home that speaks to who they are and what they love."—Joanna Gaines Whether you're embarking on a weekend refresh or complete renovation, interior designer Emily Henderson wants you to take risks with your home design without experiencing regret. In this visually driven decorating bible punctuated with photographs from real homes and colorful illustrations, she takes you through her entire process, including every single decision she makes when it comes to picking paint, arranging furniture, hanging window treatments, and deciding on lighting fixtures.

You'll also learn when to hire a contractor versus an architect versus a handyperson, all the materials to consider (and why you might want to skip those marble countertops), proper measurements of the elements in each room, and so much more. By the end of the book, you'll feel more confident when it comes to visualizing the home of your dreams, and you'll finally know how to make it happen.

*The Furniture Bible* Christophe Pourny, 2014-11-04 A Wall Street Journal Top 10 Crucial Home & Design Book for Beginners A Library Journal Best Book of the Year An Amazon Best Book of the Month Christophe Pourny learned the art of furniture restoration in his father's atelier in the South of France. In this, his first book, he teaches readers everything they need to know about the provenance and history of furniture, as well as how to restore, update, and care for their furniture—from antiques to midcentury pieces, family heirlooms or funky flea-market finds. The heart of the book is an overview of Pourny's favorite techniques—ceruse, vernis anglais, and water gilding, among many others—with full-color step-by-step photographs to ensure that readers can easily replicate each refinishing technique at home. Pourny brings these techniques to life with a chapter devoted to real-world refinishing projects, from a veneered table to an ebonized desk, a gilt frame to a painted northern European hutch. Rounding out this comprehensive guide is care and maintenance information, including how to properly clean leather, polish hardware, fix a broken leg, and replace felt pads, as well as recipes to make your own wax, shellac, varnish, stain, and more.

**Feed** M.T. Anderson, 2012-07-17 Identity crises, consumerism, and star-crossed teenage love in a futuristic society where people connect to the Internet via feeds implanted in their brains. This new edition contains new back matter and a refreshed cover. A National Book Award finalist.

**The Angel Experiment** James Patterson,2009 Max, Fang, Iggy, Nudge, the Gasman and Angel. Six kids who are pretty normal except they grew up in a laboratory - and can fly. Now they want to track down their missing parents - and save the world.

*Inequality, Crime and Public Policy (Routledge Revivals)* John Braithwaite,2013-09-13 First published in 1979, *Inequality, Crime, and Public Policy* integrates and interprets the vast corpus of existing research on social class, slums, and crime, and presents its own findings on these matters. It explores two major questions. First, do policies designed to redistribute wealth

and power within capitalist societies have effects upon crime? Second, do policies created to overcome the residential segregation of social classes have effects on crime? The book provides a brilliantly comprehensive and systematic review of the empirical evidence to support or refute the classic theories of Engles, Bonger, Merton, Cloward and Ohlin, Cohen, Miller, Shaw and McKay, amongst many others. Braithwaite confronts these theories with evidence of the extent and nature of white collar crime, and a consideration of the way law enhancement and law enforcement might serve class interest.

**Parish-Hadley Tree of Life** Brian McCarthy, Bunny Williams, 2015-10-06 A lushly illustrated look inside the interior design firm that set the standard for America's finest homes—serving the Astors, the Kennedys, and more. Starting in the 1960s, one name was synonymous with gorgeous interior design and luxurious, stylish home décor: Parish-Hadley Associates, who were commissioned by some of the most prominent families in the country, from the Kennedys to the Astors, Rockefellers, and Gettys. In this “must-have addition to your design library,” thirty interior designers relate in detail their personal experiences working at the firm, accompanied by images they have chosen of their own work, past and present, illustrating how their careers have been shaped by the industry-changing partnership between Sister Parish and Albert Hadley (Architectural Digest). “You can’t say ‘Parish-Hadley’ without tipping your cap toward the revered interior firm that’s inspired the design community since the ‘60s. . . . Here, 30 renowned designers revisit lessons learned from the iconic duo. Take notes!” —USA Today
