Thank You, Omu! (Caldecott Honor Book) Oge Mora,2018-10-02 A Caldecott Honor Book In this cozy, sweet story perfect for fans of Last Stop on Market Street as well as for the Thanksgiving season, a generous woman is rewarded by her community. A Spanish edition, ¡Gracias, Omu!, is also available. Everyone in the neighborhood dreams of a taste of Omu's delicious stew! One by one, they follow their noses toward the scrumptious scent. And one by one, Omu offers a portion of her meal. Soon the pot is empty. Has she been so generous that she has nothing left for herself? Debut author-illustrator Oge Mora brings to life a heartwarming story of sharing and community in colorful cut-paper designs as luscious as Omu's stew,

with an extra serving of love. An author's note explains that Omu (pronounced AH-moo) means queen in the Igbo language of her parents, but growing up, she used it to mean Grandma. This book was inspired by the strong female role models in Oge Mora's life. Don't miss Saturday, also written and illustrated by Oge Mora!

Chakra Wisdom Stephen Canning,2020-03-09 The Chakra Wisdom book will inspire & encourage you to be the best version of yourself as you unfold towards your highest potential. This book is specifically designed to help you decipher what your body & mind are communicating to you by way of symptoms as well as enhancing your mindfulness skills. This book can be used as a personal growth tool that will assist you in consciously moving forward & gaining a deeper understanding of the body/mind/spirit connection that is expressed via the chakra system in your body. You will gain clarity as to which thoughts, affirmations & other tools will support & encourage your personal growth, health & wellbeing. Many 'life lessons' are identified by observing your symptoms & learning to listen to your body's whispers before they turn into screams for attention. Where & how the symptoms manifest can help determine which Chakra is 'wanting' your attention, which in turn will point to a certain attitude, mindset & lifestyle your body would love you to adopt.

There's No Such Thing as Bad Weather Linda Åkeson McGurk,2017-10-03 Bringing Up Bébé meets Last Child in the Woods in this “fascinating exploration of the importance of the outdoors to childhood development” (Kirkus Reviews) from a Swedish-American mother who sets out to discover if the nature-centric parenting philosophy of her native Scandinavia holds the key to healthier, happier lives for her American children. Could the Scandinavian philosophy of “There’s no such thing as bad weather, only bad clothes” hold the key to happier, healthier lives for American children? When Swedish-born Linda Åkeson McGurk moved to Indiana, she quickly learned that the nature-centric parenting philosophies of her native Scandinavia were not the norm. In Sweden, children play outdoors year-round, regardless of the weather, and letting babies nap outside in freezing temperatures is common and recommended by physicians. Preschoolers spend their days climbing

trees, catching frogs, and learning to compost, and environmental education is a key part of the public-school curriculum. In the US, McGurk found the playgrounds deserted, and preschoolers were getting drilled on academics with little time for free play in nature. And when a swimming outing at a nearby creek ended with a fine from a park officer, McGurk realized that the parenting philosophies of her native country and her adopted homeland were worlds apart. Struggling to decide what was best for her family, McGurk embarked on a six-month journey to Sweden with her two daughters to see how their lives would change in a place where spending time in nature is considered essential to a good childhood. Insightful and lively, *There's No Such Thing as Bad Weather* is a fascinating personal narrative that illustrates how Scandinavian culture could hold the key to raising healthy, resilient, and confident children in America.

Find Your Extraordinary Jessica DiLullo Herrin, 2016-05-03 In this Wall Street Journal bestseller, Jessica Herrin, serial entrepreneur and founder and CEO of the Stella & Dot Family Brands, shows how the classic traits of successful entrepreneurs are ones each one of us can develop--and use not only to create a company, but also to create an extraordinary life. What if you could, with a little effort, live an extraordinary life? A life in which you felt deep passion for everything you did, and always had time for what matters most? A life in which you had the power, the daring, and the will to make your boldest dreams come true, all while you happily left feelings of inadequacy or guilt behind? It is possible to take your life from ordinary to extraordinary. The secret? Cultivating the entrepreneurial spirit inside you--the spirit that allows you to embrace your individuality, to look not just at what is but at what could be, to believe in yourself beyond reason and to step up to creating your own definition of happiness and success--a version of success in which work and family life happily co-exist--instead of chasing a cookie-cutter version. Whether we work a corporate job, run a family, or run our own business, Herrin offers realistic, attainable steps each one of us can take to achieve extraordinary success on our own terms. Through candid and inspiring lessons from her life as a successful CEO and working mother of two, as well as stories of many amazing individuals she's met along the way, Herrin inspires and empowers us to dial up the sound of our own voices and make our authentic dreams a reality. This book isn't about having it all; it's about having what matters most to you. It is about how to find your extraordinary--your extraordinary career, your extraordinary happiness, your extraordinary life.

- How to contact and work with the Great Spirits through the cards
- How to engage the “neutral observer”
- How to interpret the 49 Chakra Wisdom Oracle Cards through the Seven Aspects
- Developing your own personalized spreads
- The ethics of reading for others and how to do so safely

This is a must-read for anyone interested in using oracle cards and taking their skills to the next level.

The Organised Writer Antony Johnston, 2020-10-01 The Organised Writer is a practical, no-nonsense system that allows you as an author to write without worrying about administration, business affairs, or scheduling, because you know those non-writing tasks will be dealt with at the right time. This straight-talking guide will help you become more productive, cope with multiple projects, and make time within your life to write - while also dealing with non-writing tasks more efficiently. It includes advice on how to:

- Manage your schedule
- Prioritise your writing time
- Take notes effectively
- Work with a 'clean mind'
- Get more written every day
- Deal effectively with non-writing tasks
- Set up a foolproof filing system
- Organise your working space

Read the book, then spend a weekend setting up the system described, and you'll make the time back with interest. You'll get more written every day and complete more of your non-writing tasks without being overwhelmed by all the things you have to do, forgot to do, or don't want to do.

Beat the Crowd Kenneth L. Fisher, Elisabeth Dellinger, 2015-03-30 Train your brain to be a real contrarian and outsmart the crowd Beat the Crowd is the real contrarian's guide to investing, with comprehensive explanations of how a true contrarian investor thinks and acts - and why it works more often than not. Bestselling author Ken Fisher breaks down the myths and cuts through the noise to present a clear, unvarnished view of timeless market realities, and the ways in which a contrarian approach to investing will outsmart the herd. In true Ken Fisher style, the book explains why the crowd often goes astray—and how you can stay on track. Contrarians understand how headlines really affect the market and which noise and fads they should tune out. Beat the Crowd is a primer to the contrarian strategy, teaching readers simple tricks to think differently and get it right more often than not. Discover the limits of forecasting and how far ahead you should look Learn why political controversy matter less the louder it gets Resurrect long-forgotten, timeless tricks and truths in markets Find out how the contrarian approach makes you right more often than wrong A successful investment strategy requires information, preparation, a little bit of brainpower, and a larger bit of luck. Pursuit of the mythical perfect strategy frequently lands folks in a cacophony of talking heads and twenty-four hour noise, but Beat the Crowd cuts through the mental clutter and collects the pristine pieces of actual value into a tactical approach based on going against the grain.

Crazy Town Robyn Doolittle,2014-02-04 His drug and alcohol-fuelled antics made world headlines and engulfed a city in unprecedented controversy. Toronto Mayor Rob Ford's personal and political troubles have occupied centre stage in North America's fourth largest city since news broke that men involved in the drug trade were selling a videotape of Ford appearing to smoke crack cocaine. Toronto Star reporter Robyn Doolittle was one of three journalists to view the video and report on its contents in May 2013. Her dogged pursuit of the story has uncovered disturbing details about the mayor's past and embroiled the Toronto police, city councilors, and ordinary citizens in a raucous debate about the future of the city. Even before those explosive events, Ford was a divisive figure. A populist and successful city councillor, he was an underdog to become mayor in 2010. His politics and mercurial nature have split the amalgamated city in two. But there is far more to the story. The Fords have a long, unhappy history of substance abuse and criminal behavior. Despite their troubles, they are also one of the most ambitious families in Canada. Those close to the Fords say they often compare themselves to the Kennedys and believe they were born to lead. Regardless of whether the mayor survives the scandal, the Ford name is on the ballot in the mayoralty election of 2014. Fast-paced and insightful, Crazy Town is a page-turning portrait of a troubled man, a formidable family and a city caught in an jaw-dropping scandal.

Engaging Students with Poverty in Mind Eric Jensen,2013 Drawing from research, experience, and real school success stories, this galvanizing book explores engagement as the key factor in the academic success of economically disadvantaged students.
