The Wood Burn Book Rachel Strauss, 2020-08-11 In *The Wood Burn Book*, Instagram star Rachel Strauss (@woodburncorner) teaches you everything you'll need to know to master your favorite new hobby: pyrography, or writing with fire. This essential guide opens with a brief background to the art of wood burning, a list of tools and how to use them, basic techniques that can be used over and over again, and even what to burn and how to be safe doing it. You will also find a detailed explanation of the process from start to finish, with patterns and frames, techniques for lettering and adding color, as well as dozens of projects ready for gifting, including picture frames, cutting boards, coasters, cards, wooden spoons, and jewelry. Above all, Strauss has created the book she wished she had when she first discovered pyrography: a simple guide that quickly gets the reader successfully burning. With the right tools and a little time, you'll be able to create meaningful handmade gifts without breaking the bank. Whether it's to create a family name sign as a housewarming gift for newlyweds, or customize baby blocks for a new little one, wood burning is the versatile hobby that can be used time and time again to create memorable gifts for all of life's occasions. In addition, wood burning is a practice in mindfulness, requiring patience and focus to awaken the senses and calm the mind. Mastering the art of writing with fire begins with the ability to follow a line. If you can trace, you can burn.

Fair Play: Reese's Book Club Eve Rodsky, 2021-01-05 AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal

The result is *Fair Play*: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, *Fair Play* helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting.
