*Ask a Manager* Alison Green,2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

We Are Here to Stay: Voices of Undocumented Young Adults Susan Kuklin,2019-01-08 With refreshing candor, photos and interviews usher us into the lives of eleven undocumented young people bravely speaking out. “Maybe next time they hear someone railing about how terrible immigrants are, they'll think about me. I'm a real person.” Meet nine courageous young adults who have lived in the United States with a secret for much of their lives: they are not U.S. citizens. They came from Colombia, Mexico, Ghana, Independent Samoa, and Korea. They came seeking education, fleeing violence, and escaping poverty. All have heartbreaking and hopeful stories about leaving their homelands and starting a new life in America. And all are weary of living in the shadows. *We Are Here to Stay* is a very different book than it was intended to be when originally slated for a 2017 release, illustrated with Susan Kuklin's gorgeous full-color portraits. Since the last presidential election and the repeal of DACA, it is no longer safe for these young adults to be identified in photographs or by name. Their photographs have been replaced with empty frames, and their names are represented by first initials. We are honored to publish these

enlightening, honest, and brave accounts that encourage open, thoughtful conversation about the complexities of immigration — and the uncertain future of immigrants in America.
