The Time-Block Planner Cal Newport, 2020

Deep Work Cal Newport, 2016-01-05 AN AMAZON BEST BOOK OF 2016 PICK IN BUSINESS & LEADERSHIP WALL STREET JOURNAL BUSINESS BESTSELLER A BUSINESS BOOK OF THE WEEK AT 800-CEO-READ Master one of our economy's most rare skills and achieve groundbreaking results with this "exciting" book (Daniel H. Pink) from an "exceptional" author (New York Times Book Review). Deep work is the ability to focus without distraction on a cognitively demanding task. It's a skill that allows you to quickly master complicated information and produce better results in less time. Deep Work will make you better at what you do and provide the sense of true fulfillment that comes from craftsmanship. In short, deep work is like a super power in our increasingly competitive twenty-first century economy. And yet, most people have lost the ability to go deep—spending their days instead in a frantic blur of e-mail and social media, not even realizing there's a better way. In *Deep Work*, author and professor Cal Newport flips the narrative on impact in a connected age. Instead of arguing distraction is bad, he instead celebrates the power of its opposite. Dividing this book into two parts, he first makes the case that in almost any profession, cultivating a deep work ethic will produce massive benefits. He then presents a rigorous training regimen, presented as a series of four rules, for transforming your mind and habits to support this skill. 1. Work Deeply 2. Embrace Boredom 3. Quit Social Media 4. Drain the Shallows A mix of cultural criticism and actionable advice, *Deep Work* takes the reader on a journey through memorable stories—from Carl Jung building a stone tower in the woods to focus his mind, to a social media pioneer buying a round-trip business class ticket to Tokyo to write a book free from distraction in the air—and no-nonsense advice, such as the claim that most serious professionals should quit social media and that you should practice being bored. *Deep Work* is an indispensable guide to anyone seeking focused success in a distracted world.

Indistractable Nir Eyal, 2019-09-10 *Indistractable* provides a framework that will deliver the focus you need to get results. —James Clear, author of *Atomic Habits* If you value your time, your focus, or your relationships, this book is essential reading. I'm putting these ideas into practice. —Jonathan Haidt, author of *The Righteous Mind* National Bestseller Winner of the Outstanding Works of Literature (OWL) Award Included in the Top 5 Best Personal Development Books of the Year by Audible Included in the Top 20 Best Business and Leadership Books of the Year by Amazon Featured in *The Amazon Book*

Review Newsletter, January 2020 Goodreads Best Science & Technology of 2019 Finalist You sit down at your desk to work on an important project, but a notification on your phone interrupts your morning. Later, as you're about to get back to work, a colleague taps you on the shoulder to chat. At home, screens get in the way of quality time with your family. Another day goes by, and once again, your most important personal and professional goals are put on hold. What would be possible if you followed through on your best intentions? What could you accomplish if you could stay focused? What if you had the power to become undistractable? International bestselling author, former Stanford lecturer, and behavioral design expert, Nir Eyal, wrote Silicon Valley's handbook for making technology habit-forming. Five years after publishing *Hooked*, Eyal reveals distraction's Achilles' heel in his groundbreaking new book. In *Indistractable*, Eyal reveals the hidden psychology driving us to distraction. He describes why solving the problem is not as simple as swearing off our devices: Abstinence is impractical and often makes us want more. Eyal lays bare the secret of finally doing what you say you will do with a four-step, research-backed model. *Indistractable* reveals the key to getting the best out of technology, without letting it get the best of us. Inside, Eyal overturns conventional wisdom and reveals: Why distraction at work is a symptom of a dysfunctional company culture—and how to fix it What really drives human behavior and why time management is pain management Why your relationships (and your sex life) depend on you becoming undistractable How to raise undistractable children in an increasingly distracting world Empowering and optimistic, *Indistractable* provides practical, novel techniques to control your time and attention—helping you live the life you really want.

The 12 Week Year Brian P. Moran, Michael Lennington, 2013-05-15 The guide to shortening your execution cycle down from one year to twelve weeks Most organizations and individuals work in the context of annual goals and plans; a twelve-month execution cycle. Instead, *The 12 Week Year* avoids the pitfalls and low productivity of annualized thinking. This book redefines your year to be 12 weeks long. In 12 weeks, there just isn't enough time to get complacent, and urgency increases and intensifies. *The 12 Week Year* creates focus and clarity on what matters most and a sense of urgency to do it now. In the end more of the important stuff gets done and the impact on results is profound. Explains how to leverage the power of a 12 week year to drive improved results in any area of your life Offers a how-to book for both individuals and organizations seeking to improve their execution effectiveness Authors are leading experts on execution and implementation Turn your organization's idea of a year on its head, and speed your journey to success.

168 Hours Laura Vanderkam, 2011-05-31 It's an unquestioned truth of modern life: we are starved for time. We tell ourselves we'd like to read more, get to the gym regularly, try new hobbies, and accomplish all kinds of goals. But then we give up because there just aren't enough hours to do it all. Or if we don't make excuses, we make sacrifices—taking time out from other things in order to fit it all in. There has to be a better way...and Laura Vanderkam has found one. After interviewing dozens of successful, happy people, she realized that they allocate their time differently than most of us. Instead

of letting the daily grind crowd out the important stuff, they start by making sure there's time for the important stuff. When plans go wrong and they run out of time, only their lesser priorities suffer. Vanderkam shows that with a little examination and prioritizing, you'll find it is possible to sleep eight hours a night, exercise five days a week, take piano lessons, and write a novel without giving up quality time for work, family, and other things that really matter.

Start Finishing Charlie Gilkey,2022-02-15 Start Finishing provides a system for transforming your ideas into finished projects. Here you'll learn to focus your effort, identify drag points and pitfalls, build a pack of supporters, and end with momentum to start finishing the life-changing projects that create the future you want to live in.

Getting Things Done David Allen,2015-03-17 The book Lifehack calls The Bible of business and personal productivity. A completely revised and updated edition of the blockbuster bestseller from 'the personal productivity guru'—Fast Company Since it was first published almost fifteen years ago, David Allen's Getting Things Done has become one of the most influential business books of its era, and the ultimate book on personal organization. "GTD" is now shorthand for an entire way of approaching professional and personal tasks, and has spawned an entire culture of websites, organizational tools, seminars, and offshoots. Allen has rewritten the book from start to finish, tweaking his classic text with important perspectives on the new workplace, and adding material that will make the book fresh and relevant for years to come. This new edition of Getting Things Done will be welcomed not only by its hundreds of thousands of existing fans but also by a whole new generation eager to adopt its proven principles.

Momentum Planner Charlie Gilkey,2018-08

Living Forward Michael Hyatt,Daniel Harkavy,2016-03-01 Each of us has but one life to live on this earth. What we do with it is our choice. Are we drifting through it as spectators, reacting to our circumstances when necessary and wondering just how we got to this point anyway? Or are we directing it, maximizing the joy and potential of every day, living with a purpose or mission in mind? Too many of us are doing the former--and our lives are slipping away one day at a time. But what if we treated life like the gift that it is? What if we lived each day as though it were part of a bigger picture, a plan? That's what New York Times bestselling author Michael Hyatt and executive coach Daniel Harkavy show us how to do: to design a life with the end in mind, determining in advance the outcomes we desire and path to get there. In this step-by-step guide, they share proven principles that help readers create a simple but effective life plan so that they can get from where they are now to where they really want to be--in every area of life.

The Get Productive Grid Magdalena Bak-Maier,2015-12-17 Want to stop being held hostage by deadlines? Tired of seeing what truly matters rarely getting completed? Would you like to live a fuller life? One where you achieve results, have a rewarding personal life whilst nurturing your whole personal and professional being? The Grid can unlock the secret to success for you... Magdalena Bak-Maier, trained neuroscientist (PhD, Caltech), top coach and author of Get Productive!

provocatively suggests that you can 'have it all'. In this her second book, Bak-Maier shows how to cultivate balance and truly thrive using her original, tested, creative and easy to master Grid system. The Grid is for you if you find yourself saying... 'I work hard but feel I'm not getting anywhere.' 'I lack time for life outside my work (dating, hobbies, friends, holidays or family).' 'My to-do list is never-ending.' 'I don't have energy for anything other than work and need weekends to recover.' 'I'm settling for less because having it all seems unattainable.' Too many lives are skewed towards work, careers, care for others and neglect of self she says. What's even worse, many people hardly notice how out of balance their lives have become while they chase their tail, feel stressed, overwhelmed and unfulfilled. Bak-Maier makes a case for an attractive alternative using her tried and tested Grid method. This practical book sets out to help you transform your life by teaching you how to surf your energy so that instead of tiring and reacting to life, you continuously refuel your heart and mind to be the artist of it. The Grid shows you how to create results and success by engaging with key parts of life you choose to have. Once you start applying the Grid approach to your life, you will start to feel clear, inspired and energised. The Grid will help you balance your energy and effort in a way that restores you and helps you achieve more. With exercises to get you started, the Gridding process is your key to succeed, thrive and sustain yourself and others. The Grid is a useful approach for those who want results without burnout and those in leadership roles who want to model good practice and create cultures grounded in wellbeing. Committed 'Gridders' find that they live more in tune with their values, act with integrity, achieve more and find time to be spontaneous and creative more often. Their confidence soars as they see the practical steps they take towards creating lives they truly want. In other words their heart and mind get on the same track and what's important gets done more often and better than what seems urgent. This book will show you how to take the same approach and make it your own to help you truly make time count.

The 12 Week Year Field Guide Brian P. Moran, Michael Lennington, 2018-09-18 Update your thinking and avoid complacency with the 12 week year Are you ready to change your life? This hands-on template for implementing advice from the game-changing book The 12 Week Year is a study guide that makes it easy for anyone to apply the 12 week year to their own lives. Instead of getting bogged down in annualized thinking that produces pitfalls and saps productivity, follow along with this guide to redefine your "year" to be just 12 weeks long. By doing so, you'll avoid complacency, begin to focus on what matters most, create better clarity, and develop a sense of urgency so that "now" is always the right time to act. Applicable to business growth, career goals, and life in general, the 12 week plan will help you improve in any—or every—area. By closing the "knowing-doing gap," you'll discover how to execute on what you already know and greatly expand the boundaries of your capabilities. Learn to: Create your personal and business visions with step-by-step tips Develop your own 12 week plan by applying what you know to what you do Put over 10 years of field-tested content, exercises, and templates to work for you Build a 12 week commitment and apply the system to your own life and business

Take back your life, improve your thinking, and advance your business or career by implementing real-world, hands-on methods in The 12 Week Year Study Guide.

Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Leverage Leadership 2.0 Paul Bambrick-Santoyo, 2018-07-09 Cut through the mystique to learn the real drivers of great school leadership *Leverage Leadership 2.0* answers the basic question: what do great school leaders do that separates them from the rest? Rooted in the observation and training of over 20,000 school leaders worldwide, *Leverage Leadership 2.0* offers a practical, updated and easier-to-use follow-up to the original, with field-tested techniques and actionable advice. As educational leaders around the world implement *Leverage Leadership* ideas, their collective stories have revealed a simple framework by which the seven levers may be implemented: See It, Name It, Do It. This book aligns classic *Leverage Leadership* principles with this proven framework to streamline implementation and help good leaders become great. Expert discussion and real-life success stories prove that effective leadership is not about innate charisma, charm, or personality—it's about how a leader uses their time. Aimed at all levels of school leadership, this book shows you what to do, and how and when to do it. The companion DVD includes 30 real-world videos that showcase effective leadership happening

in our schools right now, and all templates, tools, and other professional development materials have been fully refreshed with a renewed focus on real-world implementation. Informational, inspirational, and highly motivational, this book explores both the separate components of success and what it looks like as a whole. Learn the core principles of effective leadership Understand what success looks like on the ground Practice the seven levers of leadership that allow transformational growth Adopt the tools and techniques that facilitate a schoolwide transformation Educational leaders from a diverse array of schools around the world have found unprecedented success using the key principles detailed in *Leverage Leadership*, and this book is inspired — and informed — by their stories. *Leverage Leadership 2.0* is the practical resource school leaders need to start making real change happen today.

Plan Your Year Pam Barnhill, 2019-05-07

Flow and the Foundations of Positive Psychology Mihaly Csikszentmihalyi, 2014-08-08 The second volume in the collected works of Mihaly Csikszentmihalyi covers about thirty years of Csikszentmihalyi's work on three main and interconnected areas of study: attention, flow and positive psychology. Describing attention as psychic energy and in the footsteps of William James, Csikszentmihalyi explores the allocation of attention, the when and where and the amount of attention humans pay to tasks and the role of attention in creating 'experiences', or ordered patterns of information. Taking into account information processing theories and attempts at quantifying people's investment, the chapters deal with such topics as time budgets and the development and use of the Experience Sampling Method of collecting data on attention in everyday life. Following the chapters on attention and reflecting Csikszentmihalyi's branching out into sociology and anthropology, there are chapters on the topic of adult play and leisure and connected to that, on flow, a concept formulated and developed by Csikszentmihalyi. Flow has become a popular concept in business and management around the world and research on the concept continues to flourish. Finally, this volume contains articles that stem from Csikszentmihalyi's connection with Martin Seligman; they deal with concepts and theories, as well as with the development and short history, of the field and the "movement" of positive psychology.

This book delves into Week Block Schedule Template. Week Block Schedule Template is an essential topic that needs to be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Week Block Schedule Template, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
 - Chapter 1: Introduction to Week Block Schedule Template
 - Chapter 2: Essential Elements of Week Block Schedule Template
 - Chapter 3: Week Block Schedule Template in Everyday Life
 - Chapter 4: Week Block Schedule Template in Specific Contexts
 - Chapter 5: Conclusion
2. In chapter 1, the author will provide an overview of Week Block Schedule Template. This chapter will explore what Week Block Schedule Template is, why Week Block Schedule Template is vital, and how to effectively learn about Week Block Schedule Template.
3. In chapter 2, this book will delve into the foundational concepts of Week Block Schedule Template. The second chapter will elucidate the essential principles that must be understood to grasp Week Block Schedule Template in its entirety.
4. In chapter 3, this book will examine the practical applications of Week Block Schedule Template in daily life. This chapter will showcase real-world examples of how Week Block Schedule Template can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of Week Block Schedule Template in specific contexts. The fourth chapter

will explore how Week Block Schedule Template is applied in specialized fields, such as education, business, and technology.

6. In chapter 5, this book will draw a conclusion about Week Block Schedule Template. This chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Week Block Schedule Template.
