A Scrapbook of Quilts Joanna Figueroa, Carrie Nelson, 2021-06-08

Aetherbound E.K. Johnston, 2022-05-24 A thought-provoking new YA space adventure from the #1 New York Times bestselling author of *Star Wars: Ahsoka*. Set on a family-run interstellar freighter called the Harland and a mysterious remote space station, E. K. Johnston's latest is story of survival and self-determination. Pendt Harland's family sees her as a waste of food on their long-haul space cruiser when her genes reveal an undesirable mutation. But if she plays her cards right she might have a chance to do much more than survive. During a space-station layover, Pendt escapes and forms a lucky bond with the Brannick twins, the teenage heirs of the powerful family that owns the station. Against all odds, the trio hatches a long-shot scheme to take over the station and thwart the destinies they never wished for.

Pilu of the Woods Mai K. Nguyen, 2019-04-16 *Pilu of the Woods* is a heartwarming tale full of natural wonder, with wise and lovely messages about coping with grief, facing your feelings, and learning to forgive yourself. - K. O'Neill, Eisner Award-winning author of *The Tea Dragon Society* For fans of *Hilda* and *the Troll* comes *PILU OF THE WOODS*, a heartwarming and bittersweet story of friendship, loss, exploring complex emotions and finding your way home from debut creator Mai K. Nguyen. Willow loves the woods near her house. They're calm and quiet, so different from her own turbulent emotions, which she keeps locked away. When her emotions get the better of her one day, she decides to run away into the woods. There, she meets Pilu, a lost tree spirit who can't find her way back home—which turns out to be the magnolia grove Willow's mom used to take her to. Willow offers to help Pilu, and the two quickly become friends. But the journey is long, and Pilu isn't sure she's ready to return home yet—which infuriates Willow, who's determined to make up for her own mistakes by getting Pilu back safely. As a storm rages and Willow's emotions bubble to the surface, they suddenly take on a physical form, putting both girls in danger... and forcing Willow to confront her inner feelings once and for all. BONUS CONTENT: This edition includes blank journal pages in the back to encourage readers to keep their own notes about nature and their feelings.

Last Call Daniel Okrent, 2010-05-11 A brilliant, authoritative, and fascinating history of America's most puzzling era, the years 1920 to 1933, when the U.S. Constitution was amended to restrict one of America's favorite pastimes: drinking alcoholic beverages. From its start, America has been awash in drink. The sailing vessel that brought John Winthrop to the shores of the New World in 1630 carried more beer than water. By the 1820s, liquor flowed so plentifully it was cheaper than

tea. That Americans would ever agree to relinquish their booze was as improbable as it was astonishing. Yet we did, and *Last Call* is Daniel Okrent's dazzling explanation of why we did it, what life under Prohibition was like, and how such an unprecedented degree of government interference in the private lives of Americans changed the country forever. Writing with both wit and historical acuity, Okrent reveals how Prohibition marked a confluence of diverse forces: the growing political power of the women's suffrage movement, which allied itself with the antiliquor campaign; the fear of small-town, native-stock Protestants that they were losing control of their country to the immigrants of the large cities; the anti-German sentiment stoked by World War I; and a variety of other unlikely factors, ranging from the rise of the automobile to the advent of the income tax. Through it all, Americans kept drinking, going to remarkably creative lengths to smuggle, sell, conceal, and convivially (and sometimes fatally) imbibe their favorite intoxicants. *Last Call* is peopled with vivid characters of an astonishing variety: Susan B. Anthony and Billy Sunday, William Jennings Bryan and bootlegger Sam Bronfman, Pierre S. du Pont and H. L. Mencken, Meyer Lansky and the incredible—if long-forgotten—federal official Mabel Walker Willebrandt, who throughout the twenties was the most powerful woman in the country. (Perhaps most surprising of all is Okrent's account of Joseph P. Kennedy's legendary, and long-misunderstood, role in the liquor business.) It's a book rich with stories from nearly all parts of the country. Okrent's narrative runs through smoky Manhattan speakeasies, where relations between the sexes were changed forever; California vineyards busily producing "sacramental" wine; New England fishing communities that gave up fishing for the more lucrative rum-running business; and in Washington, the halls of Congress itself, where politicians who had voted for Prohibition drank openly and without apology. *Last Call* is capacious, meticulous, and thrillingly told. It stands as the most complete history of Prohibition ever written and confirms Daniel Okrent's rank as a major American writer.

Girl Gone Viral Arvin Ahmadi, 2019 The author of *Down and Across* pens an inventive and hauntingly timely story of a 17-year-old coder's catapult to stardom, reminiscent of *The Social Network* with a *Ready Player One* twist. The perfect thriller for the virtual reality era.--Brendan Reichs, New York Times bestselling author of *Nemesis*.

Make Time Jake Knapp, John Zeratsky, 2018-09-25 From the New York Times bestselling authors of *Sprint* comes "a unique and engaging read about a proven habit framework [that] readers can apply to each day" (*Insider*, Best Books to Form New Habits). "If you want to achieve more (without going nuts), read this book."—Charles Duhigg, author of *The Power of Habit* Nobody ever looked at an empty calendar and said, The best way to spend this time is by cramming it full of meetings! or got to work in the morning and thought, Today I'll spend hours on Facebook! Yet that's exactly what we do. Why? In a world where information refreshes endlessly and the workday feels like a race to react to other people's priorities faster, frazzled and distracted has become our default position. But what if the exhaustion of constant busyness wasn't mandatory? What if you could step off the hamster wheel and start taking control of your time and attention? That's what this

book is about. As creators of Google Ventures' renowned design sprint, Jake and John have helped hundreds of teams solve important problems by changing how they work. Building on the success of these sprints and their experience designing ubiquitous tech products from Gmail to YouTube, they spent years experimenting with their own habits and routines, looking for ways to help people optimize their energy, focus, and time. Now they've packaged the most effective tactics into a four-step daily framework that anyone can use to systematically design their days. Make Time is not a one-size-fits-all formula. Instead, it offers a customizable menu of bite-size tips and strategies that can be tailored to individual habits and lifestyles. Make Time isn't about productivity, or checking off more to-dos. Nor does it propose unrealistic solutions like throwing out your smartphone or swearing off social media. Making time isn't about radically overhauling your lifestyle; it's about making small shifts in your environment to liberate yourself from constant busyness and distraction. A must-read for anyone who has ever thought, If only there were more hours in the day..., Make Time will help you stop passively reacting to the demands of the modern world and start intentionally making time for the things that matter.

Queen of Madness Lee Jacquot, 2021-12-31

Star Daughter Shveta Thakrar, 2020-08-11 *Chosen as a 2020 Kids' Indie Next pick * A Locus Reading List recommendation * An Andre Norton Nebula Award Finalist* "Shveta Thakrar's prose is as beautiful as starlight."—New York Times bestselling author Holly Black This gorgeously imagined YA debut blends shades of Neil Gaiman's Stardust and a breathtaking landscape of Hindu mythology into a radiant contemporary fantasy. The daughter of a star and a mortal, Sheetal is used to keeping secrets. Pretending to be "normal." But when an accidental flare of her starfire puts her human father in the hospital, Sheetal needs a full star's help to heal him. A star like her mother, who returned to the sky long ago. Sheetal's quest to save her father will take her to a celestial court of shining wonders and dark shadows, where she must take the stage as her family's champion in a competition to decide the next ruling house of the heavens—and win, or risk never returning to Earth at all. Brimming with celestial intrigue, this sparkling YA debut is perfect for fans of Roshani Chokshi and Laini Taylor.

I Am a Follower Leonard Sweet, Leonard I. Sweet, 2012 In this examination of leadership and followership, Sweet proposes an intentional shift from leadership cults to followership cultures. He critiques the issue of leadership obsession but focuses on reigniting a passion for the follow me theme found throughout the gospels and the entire New Testament.

The New Teacher's Complete Sourcebook Paula Naegle, 2002-08 Middle school teachers will find everything you need to set up your classroom for maximum learning, prepare dynamite lessons, create an effective classroom management plan... and so much more! From getting ready for the first day to staying on target through June, this must-have book will be your companion for years to come.

Better Posters Zen Faulkes, 2021-05-24 Better posters mean better research. Distilling over a decade of experience from

the popular Better Posters blog, Zen Faulkes will help you create a clear and informative conference poster that delivers maximum impact. Academics have used posters to share research for more than five decades, and tens of thousands of posters are presented at conferences every year. Despite the popularity of the format, no in-depth guide has been available on how to create and deliver compelling conference posters. From over-long titles, tiny text and swarms of logos, to bad font choices, chaotic colour schemes and blurry images – it’s easy to leave viewers confused about your poster’s message. The solution is Better Posters: a comprehensive guide to everything you need to know – from writing a title and submitting an abstract, to designing the poster and finally presenting it in the poster session. Your conference poster will be one of your first research outputs, and the poster session is your first introduction to a professional community. Making a great poster develops the skills to create publications, reports, outreach and teaching materials throughout your career. This book also has material for conference organizers on how to make a better poster session for their attendees.

The Beautiful Cigar Girl Daniel Stashower,2007-12-04 On July 28, 1841, the body of Mary Rogers, a twenty-year-old cigar girl, was found floating in the Hudson-and New York's unregulated police force proved incapable of solving the crime. One year later, a struggling writer named Edgar Allan Poe decided to take on the case-and sent his fictional detective, C. Auguste Dupin, to solve the baffling murder of Mary Rogers in The Mystery of Marie Rog t.

Are you an inclusive designer? Julie Fleck,2019-10-18 Despite improvements in the last 20 years we still have a long way to go before all of our buildings, places and spaces are easy and comfortable for all of us to use. This book puts forward a powerful case for a totally new attitude towards inclusivity and accessibility. Exploring both the social and the business cases for striving for better, this book will empower architects to have more enlightened discussions with their clients about why we should be striving for better than the bare minimum, and challenging the notion that inclusive design should be thought of reductively as simply a list of “special features” to be added to a final design, or that inclusivity is only about wheelchair access. This book will be to help make inclusive design business as usual rather than something that is added on to address legislation at the end of the development process. Accessible and engaging, this book will be an invaluable resource for students as well as practicing architects, richly illustrated with case studies showing both good and bad examples of inclusive design and celebrating inclusion.

The Pale King David Foster Wallace,2011-04-15 The breathtakingly brilliant novel by the author of Infinite Jest (New York Times) is a deeply compelling and satisfying story, as hilarious and fearless and original as anything Wallace ever wrote. The agents at the IRS Regional Examination Center in Peoria, Illinois, appear ordinary enough to newly arrived trainee David Foster Wallace. But as he immerses himself in a routine so tedious and repetitive that new employees receive boredom-survival training, he learns of the extraordinary variety of personalities drawn to this strange calling. And he has arrived at a moment when forces within the IRS are plotting to eliminate even what little humanity and dignity the work still has. The

Pale King remained unfinished at the time of David Foster Wallace's death, but it is a deeply compelling and satisfying novel, hilarious and fearless and as original as anything Wallace ever undertook. It grapples directly with ultimate questions -- questions of life's meaning and of the value of work and society -- through characters imagined with the interior force and generosity that were Wallace's unique gifts. Along the way it suggests a new idea of heroism and commands infinite respect for one of the most daring writers of our time. The Pale King is by turns funny, shrewd, suspenseful, piercing, smart, terrifying, and rousing. --Laura Miller, Salon

Heaven Official's Blessing: Tian Guan Ci Fu (Novel) Vol. 1 Mo Xiang Tong Xiu,2021-12-14 NEW YORK TIMES BEST SELLER! The blockbuster danmei/Boys' Love novels from China that inspired the animated series! This epic historical fantasy about a prince and the mysterious man by his side is now in English, for the very first time. Born the crown prince of a prosperous kingdom, Xie Lian was renowned for his beauty, strength, and purity. His years of dedicated study and noble deeds allowed him to ascend to godhood. But those who rise may also fall, and fall he does--cast from the heavens and banished to the world below. Eight hundred years after his mortal life, Xie Lian has ascended to godhood for the third time, angering most of the gods in the process. To repay his debts, he is sent to the Mortal Realm to hunt down violent ghosts and troublemaking spirits who prey on the living. Along his travels, he meets the fascinating and brilliant San Lang, a young man with whom he feels an instant connection. Yet San Lang is clearly more than he appears... What mysteries lie behind that carefree smile? This Chinese xianxia fantasy novel series built around the romanticized love between two men (danmei) is the newest work from author Mo Xiang Tong Xiu, and has spawned an ongoing multimedia franchise that's beloved across the world--including the animated series (donghua) that amassed 100+ million views in just its first month. The Seven Seas English-language edition will include covers from 封面 (tai3_3), and exclusive, all-new interior illustrations from ZeldaCW.

Boho Embroidery Nichole Vogelsinger,2016-12-13 Let's talk about tools -- Let's talk about my favorite stitches -- Let's talk about fabric -- Let's talk about stitching outside the hoop -- Let's talk about inspiration to stitch -- Let's talk about thrifting for old treasures -- Let's talk about stitching what you see.
