**Sunderland, Industrial Giant** Marie Gardiner,2017-11-24 Sunderland was once one of Britain's industrial giants. Famous for its shipyards, mines and glass-making, it thrived at a time when its country needed it most. After the Second World War the town saw incredible change, as the heavy industry that seemed so permanent, faded and died. How do you cope with the loss of centuries of working tradition? These are the stories of the people who worked through this evolution, watched their town change around them and become a city - the people who saw the end of one era and the beginning of a challenging new one.

Within a weekend, users will learn the best ways to start editing in this groundbreaking program in this must-have guide.

Practical Peer-to-Peer Teaching and Learning on the Social Web Hai-Jew, Shalin, 2021-11-19 On the Social Web, people share their enthusiasms and expertise on almost every topic, and based on this, learners can find resources created by individuals with varying expertise. Through this trend and the wide availability of video cameras and authoring tools, people are creating DIY resources and sharing their knowledge, skills, and abilities broadly. While these resources are increasing in availability, what has not been explored is the effectiveness of these resources, peer-to-peer teaching and learning, and how well this content prepares learners for professional roles. Practical Peer-to-Peer Teaching and Learning on the Social Web

explores the efficacies of online teaching and learning with materials by peers and provides insights into what is made available for teaching and learning by the broad public. It also considers intended and unintended outcomes of open-shared learning online and discusses practical ethics in teaching and learning online. Covering topics such as learner roles and instructional design, it is ideal for teachers, instructional designers and developers, software developers, user interface designers, researchers, academicians, and students.

Hogue,2019-06-15 The keys to growing a YouTube channel that took me from zero to 75,000 subscribers in 18 months. If you're serious about starting a YouTube business and want to make money on YouTube, I can show you the way.I've doubled my monthly income by creating a YouTube channel. Thousands of people watch each video and I've built a community that supports and motivates me every day...and that's all in less than two years!Is it Too Late to Start a YouTube Business?I've been developing online businesses since 2012 but was late to the game on YouTube. By the time I started my YouTube channel, people were already saying, YouTube is dead! People were saying you couldn't grow on YouTube anymore and that small channels couldn't win in the YouTube algorithm.I'm living proof you CAN start a YouTube business and be successful. I average \$3,500 a month on ads alone (June 2019) and another three- to four-thousand on sponsorships, affiliates and my own products. In fact, I believe we're just coming into the Age of YouTube with the rollout of 5G and every business owner needs a video presence.A YouTube How-To from Someone that's Been ThereI've seen the frustration for small YouTubers, trying to compete and get views against the million-subscriber monsters. I know what it's like to start a channel from nothing. I'll not only show you how to set up your channel to look professional, I'll reveal the secrets even some of the biggest YouTube creators don't know.In this book, you'll learn: -How to get YouTube video ideas and hack the most popular videos for viral success (Pg 49)-Five steps to building a YouTube channel brand that creates an army of supporters (Pg 69)-The easy way to record videos, even if you don't like to be on camera (Pg 85)-Five income streams that guarantee you WILL make money on YouTube (Pg 135)Since starting my YouTube channel, I've consulted and helped other video influencers grow their channels for millions of views. I've helped them find sponsorships and make enough money to quit their day job to make YouTube a full-time business. I can do the same for you with this book.I can show you the way but YOU have to get started. Scroll back up and click Buy Now to create your YouTube business and start making money on YouTube.

**Graphic Design Portfolio-builder**, 2006 Self-paced, self-guided instruction is all well and good, but at the end of the day, most people could use a little feedback--especially when they're ready to build a design portfolio and hit the job market. Not to worry, this book provides actual instructor feedback along with the self-paced, individualized instruction in Photoshop and Illustrator that designers need. Written by the faculty of New York-based, accredited online design school Sessions.edu, the book uses the school's trademark project-based curriculum to teach essential design concepts with Photoshop and

Illustrator. After a brief intro to the world of graphic design, Sessions instructors provide quick refresher course chapters on the two programs. Then, armed with Photoshop and Illustrator basics, readers tackle a series of projects that stretch their imagination and creative muscles involving logo design, magazine layouts, illustrations, poster design, digital imaging, book cover design, packaging design, and more. Best of all, readers are encouraged to post their work for expert feedback from Session.edu faculty on Studio Sessions, the custom Web site created for this book.
