A Monster Calls Patrick Ness,Siobhan Dowd,2013-08-27 NOW A #1 NEW YORK TIMES BESTSELLER! An unflinching, darkly funny, and deeply moving story of a boy, his seriously ill mother, and an unexpected monstrous visitor. At seven minutes past midnight, thirteen-year-old Conor wakes to find a monster outside his bedroom window. But it isn't the monster Conor's been expecting-- he's been expecting the one from his nightmare, the nightmare he's had nearly every night since his mother started her treatments. The monster in his backyard is different. It's ancient. And wild. And it wants something from Conor. Something terrible and dangerous. It wants the truth. From the final idea of award-winning author Siobhan Dowd-- whose premature death from cancer prevented her from writing it herself-- Patrick Ness has spun a haunting and darkly funny novel of mischief, loss, and monsters both real and imagined.

The First Rule of Punk Celia C. Pérez,2018-07-17 A 2018 Pura Belpré Author Honor Book *The First Rule of Punk* is a wry and heartfelt exploration of friendship, finding your place, and learning to rock out like no one's watching. There are no shortcuts to surviving your first day at a new school—you can't fix it with duct tape like you would your Chuck Taylors. On Day One, twelve-year-old Malú (María Luisa, if you want to annoy her) inadvertently upsets Posada Middle School's queen bee, violates the school's dress code with her punk rock look, and disappoints her college-professor mom in the process. Her dad, who now lives a thousand miles away, says things will get better as long as she remembers the first rule of punk: be yourself. The real Malú loves rock music, skateboarding, zines, and Soyrizo (hold the cilantro, please). And when she assembles a group of like-minded misfits at school and starts a band, Malú finally begins to feel at home. She'll do anything to preserve this, which includes standing up to an anti-punk school administration to fight for her right to express herself!

Black and white illustrations and collage art by award-winning author Celia C. Pérez are featured throughout. Malú rocks!

Mtsryr: Octobriana 1976 Jim Rugg, 2020-09-08 In 1971, the west learned about Octobriana - the outlaw Russian superhero comic. To show solidarity, underground American cartoonists made their own Octobriana comic book. Robot Stalin's got a new doomsday bomb! Can the Devil-Woman stop him before he destroys us all? Siberian labor camps, PPP secret orgies, motorcycle gunship train chases - this one has it all! Samizdat gone wild - a cross between 70s psychedelia and Soviet constructivism!?! You've NEVER seen a comic book that looks like this! Revolution forever, bitch.

read! With the help of their thorough instructions and simple illustrations, you'll be on your way to becoming a pro paper crafter in no time at all - Sew magazine A wonderful insight into the work of a truly skilled artist - PaperCrafter The renowned and influential book artist Hedi Kyle shows you step-by-step how to create her unique designs using folding techniques in *The Art of the Fold*. Bookbinding and paper craft projects include flag books, blizzard books, the fishbone fold, and nesting boxes. Written by the doyenne of artists' books, Hedi Kyle, *The Art of the Fold* is a wonderful insight into the work of a truly skilled artist. Hedi will show you how to bind a book and fold paper to create over 35 of her cut-fold book designs. The book is beautifully illustrated with Hedi's finished works of art. An excerpt from the book: 'I can still remember the thrill I experienced when my first folded book structure emerged from my fingers - how eager I was to explore its possibilities and to share it with whoever was interested. The Flag Book, as I now call it, is a simple accordion and has interlocking pages oriented in opposite directions. Little did I know that this simple structure would have legs and be the catalyst for the next forty-plus years of thinking about and making books. The common perception of the book today is fairly straightforward: a series of pages organized around a spine and protected on either side by two covers. This format allows for easy access, storage and retrieval of information. Yet what happens when the book is stripped away of centuries of preconceptions and is allowed to reveal something else: playfulness, utility, invention? Expanding the notion of the book is what the structures in the following chapters of *The Art of the Fold* attempt to do. Exploring its tactile, sculptural form, primarily through folding methods, the book as a structural object is celebrated while content is considered in a new and unconventional way. My range in this medium has always been broad. In part this is due to my introduction to the world of bookbinding and some chance encounters. In the 1970s in New York City, the art and craft of hand bookbinding and papermaking were experiencing an unprecedented revival. I was fortunate to arrive in the city at just this moment. With an art-school background and an impulse to make things, I was naturally drawn to pursue this new opportunity. The Center for Book Arts, the famous forerunner of so many centers yet to come, was located in a small storefront just down the street from where I lived on the Lower East Side of Manhattan. Under the direction of founder Richard Minsky, it had a radical mission: to push concept, materials, printing and making of artist books in a new direction. When Richard dared me to teach at the Center one evening a week, I was hooked. My career as a book conservator and a book artist has now spanned over 45 years. As head conservator at the American Philosophical Society in Philadelphia, I've had the opportunity to handle some of the rarest volumes and manuscripts in the world. I have also dealt with decrepit books, torn maps and countless curiosities discovered in stacks and archives. All were endless sources for ideas and provided a springboard for a departure from tradition. Leading book-arts workshops around the world and a 25 year tenure teaching in the graduate program for Book Arts and Printmaking at the University of the Arts in Philadelphia have shown me, in retrospect, that the more I taught, t

Scam Erick Lyle,2010-07-28 *Scam* was equal parts an introductory guide on how to get things for free and punk memoir. Youths experienced trainhopping, house shows, and cross country tours that sought out swimming holes. Community was sought and celebrated through generator punk shows on Mission Street, hunting for cans of beer on Easter, and Food Not Bombs. Angst was manifested while stealing electricity from lampposts, squatting in Miami, selling plasma, tagging freight trains, wheatpasting, spraying salt water into vending machines, returning stolen merchandise, and dumpstering as seen through the lens of a young punk. *Scam* has gone on to inspire a generation of imitators, the highest form of flattery.

The Shabbiness of Beauty Moyra Davey,Eileen Myles,2021 *The Shabbiness of Beauty* is a visual dialogue that crosses generational divides with the easy intimacy of a late-night phone call. Multidisciplinary artist Moyra Davey delved into Peter Hujar's archives and emerged mainly with little-known, scarcely seen images. In response to these, Davey created her own images that draw out an idiosyncratic selection of shared subjects. Side by side, the powerfully composed images admire, tease, and enhance one another in the manner of fierce friends, forming a visual exploration of physicality and sexuality that crackles with wit, tenderness, and perspicacity. Spiritually anchored in New York City, even as they range out to rural corners of Quebec and Pennsylvania, these images crystallise tensions between city and country, human and animal. Nudes pose with unruly chickens; human bodies are abstracted toward topography; seascapes and urban landscapes share the same tremulous plasticity. These continuities are punctuated by stark differences of approach: Davey's self-aware postmodernism against Hujar's humanism and embrace of darkroom manipulation. The rich dialogue between these photographs is personal and angular, ultimately offering an illuminating reintroduction to each celebrated artist through communion with the other's work.--
